Welcome from Kent Union

Kent Union is run by students, for students. From campaigns and elections, sports to societies, nightclubs to cafés and jobs and advice, you name it, we’ve got it!

And what’s more, you’re already a member.

As your students’ union, we will ensure that you are represented on the issues that are important to you, and you are listened to by both the University and the wider local and national communities.

We are proud to be a campaigning and membership charity – 2016-17 is going to be a big year and we look forward to you participating in our upcoming campaigns!

Being at the University of Kent will be one of the most enjoyable, rewarding and exhilarating experiences of your life, meeting new people and learning new things.

We are here to make sure that you have the best possible experience alongside your academic studies. In terms of support services, we provide a Jobshop offering employment opportunities, an advice centre, a Student Media Centre and a nursery that are designed to make studying at Kent as stress-free as possible and cater for our wide range of students. Kent Union also runs Essentials and Park Wood Essentials shops, Woody’s pub, the Library Café and The Venue nightclub, which allows us to plan some fantastic social events throughout the year.

So what’s next?

To find out more about us go to our website at www.kentunion.co.uk and have a look at who we are and what we do.

University will be one of the most amazing times in your life. You will get to make friends and study the subject you love. The only piece of advice that I would give you is to get involved in as many activities as you can, so you can make the most out of your university experience. Feel free to come and chat with us on campus about any problems that may arise during your studies.

Tammy Naidoo, Kent Union President

When it comes to student satisfaction, our students consistently vote Kent as one of the best universities in the UK and here are just a few reasons why...

“There is so much to love about Kent Uni I don’t even know where to begin! The campus itself is absolutely beautiful, even in winter (trust me, you will have some intense snowball fights). The staff are very kind and willing to help you whenever you need it; if I’m confused about an assignment then I just email the seminar leader and a response usually comes within the same day. My shower in the accommodation is heaven, my internet connection is really stable and my roommates are great fun. I can’t count how many hours we spend in our kitchen just hanging out and having a laugh.”

Georgia Dawson, English and American Literature

“I genuinely love the University of Kent, I adore my course, and I think it has changed my way of thinking so significantly and so positively. After college, the idea of going to university didn’t really appeal, yet I decided on Kent because of the wonderful campus and how interesting my course sounded, and I am so glad I did. I have made some wonderful friends and taken part in a huge variety of adventures and activities. I wouldn’t change my experience at Kent for anything; the teachers are brilliant and, for me, it has really changed my outlook on life.”

Charlotte Claesson, Social Anthropology
"Since beginning my studies at the University of Kent, I can honestly say that I have enjoyed my experience. The campus allows for tightly-knit friendships to be made and the library is fantastic – it has an extensive range of books to assist me in my assignments, while the teaching at the University has been of the highest order."

Oluwadamilare Legunse, Accounting & Management with a Year in Industry

"I love the University of Kent because so much beauty surrounds it – the view of the town is magnificent, it looks just like a postcard, especially at night when the Cathedral is lit up. It is a perfect distance from the town centre, which has so much to offer, including restaurants, cafés, parks and nature walks. And, being a nature lover, it’s great to be surrounded by so much green woodland, as well as the rabbits that run about on campus!"

Jennifer Rose Edwards, English and American Literature and Creative Writing

"When I first visited Kent University, I sensed I would feel comfortable here, and it turned out I was right! The department is friendly and go beyond their duties to assist and engage with students. In addition to this, the support provided by the Student Support team, including a specialist mentor for those with Asperger’s, has enabled me to continue studying despite mental health problems, and given me the opportunity to meet many interesting and lovely people."

Emma Richards, German

"I never intended to study at the University of Kent. To be honest, I had not heard of it at the time. Fortunately, a recruitment officer came to my country and after a series of meetings and discussions, I decided to go for it! So far, I can confidently say that I have no regrets. It is ridiculous for a University as young as this to have achieved so much!"

Chukwuka Harrison Okeke, Law (International Foundation Programme)

"Sports, employability, scenery, nights out and learning may not seem like a possible combination but, at Kent, all the bases are covered to make your student life the best years of your life. It’s an old cliché – but where else will you be able to dress up as something silly and enjoy a night out at one of the bars and nightclub, chair a meeting for Union Council, fundraise and climb Mount Kilimanjaro, compete in a college or University team? You work hard and play harder; Kent has everything you need to make you employable and love life!"

Chris Quinn, Critical Theory

"Kent has plenty of activities and a vibrant nightlife, but is also extremely rich in culture and heritage. Being a student who commutes into uni, I was worried that I would miss out on the activities hosted by the university, but thanks to the welcoming atmosphere and great friends I have met on my course, this has certainly not been the case!"

Michael Tuffen, History

Creating change for students

We have elections each year for our student leaders on campus. We have five full-time officers, and over 20 part-time officers elected by you to lead on the issues that you tell us about through our democratic systems. We also have over 300 course reps and thousands of volunteers in our sports clubs and societies. Campaigning is at the heart of what we do and 2016-17 is going to be a huge year of change, so make sure you are involved in any way possible.

Sport

We fund and support over 70 different sports clubs, ranging from rugby to croquet, from hockey to capoeira. We have many highlights throughout the year such as Varsity in March; a charity sports competition between the University of Kent and Canterbury Christchurch University. We also have the Team Kent Ball, an event held by the Sports Federation to celebrate the achievement of clubs and individuals within sport at Kent. So, whether you are a player or a spectator, there is something for everyone to enjoy as part of Team Kent.

Societies

Kent Union funds and helps our students run over 250 societies that vary from special interest groups to political, religious, academic and performing arts groups. Every year students set up new societies so there is something for everyone – make sure you get involved! Societies are a great way to make friends, have fun, and gain valuable skills that will support you in your future career.

Volunteering

Volunteering is a great way to learn new skills, improve your CV, help others and meet new friends. You may also earn credits towards your degree and receive a Kent Student Certificate for Volunteering (KSCV) as well as increase your employability. We have over 3,500 roles on offer with over 2,000 students getting involved. There are roles to suit everyone; you could be a committee member for a sports club or society or take on a more short-term role such as our Age UK tea parties, food bank collections and litter picks. Student volunteers also fundraise for Kent RaG (Raise and Give). In the last academic year Kent RaG raised over £130,000 for over 50 charities. There’s a range of activities on offer, from RaG raids to walking the Great Wall of China.

Featured RaG event: Escape and Evade

Which is? Get as far away from the uni (and back) in 50 hours without spending any cash!

Are you nuts? Nope...it can be done. The last winners got as far as San Francisco, Athens and Geneva!

* Kent is a Fairtrade university (one that has been awarded Fairtrade status by the Fairtrade Foundation).
“It’s got an amazing atmosphere, great cocktails and jazz – what more do you need? I’ve seen Co Co and the Butterfields and a few other local jazz bands there, and the small venue makes the experience a lot more up-close and personal.”

Anita Wan, Biodiversity Management

We also love: The Dolphin for the beer garden and great food, The Lady Luck for the Sunday night pub quiz, The Olde Beverlie with its great atmosphere and good food and The Black Griffin for friendly bar staff and selection of board games (yes, you will play board games at uni!)

We are here

“Kitch is an amazing, picturesque vegan vegetarian restaurant. They have an open kitchen and you can see them cooking your food right in front of you. Fully organic, super healthy, absolutely delicious hand made food at very reasonable prices.”

Diamantina Stavrianou, Politics and International Relations

We also love: The Chocolate Café for the luxury hot chocolate, Boho for the yummy desserts and Tiny Tim’s Tearoom for its fab homemade food (it’s also supposedly the most haunted building in Canterbury).

That’s not all!

Not far from the campus, Whitefriars is the place to go for a great range of big-name stores including Topman/Topshop, Zara and H&M, or for an alternative shopping experience, stroll down Canterbury’s King’s Mile. You’ll find a good selection of independent shops selling everything from ethnic musical instruments to homemade fudge.

You’re spoilt for choice when it comes to eating out, with long-established Indian, Italian, Chinese, Thai, Mexican and Spanish eateries. Many of the smaller restaurants have a fantastic atmosphere and are great value for money. There are also loads of pubs, which offer varied menus, and The Goods Shed is also worth a visit for its thriving daily farmers’ market and restaurant.
The favourite places in the city, as voted for by Kent students

Revivals

“Chemistry is the place to have fun and vibe to good music after a long weekday and put your feet up and let your hair down. You’re always guaranteed to meet new, interesting unique people.”
Michelle Adde, Criminology and Social Policy

We also love: Bramley’s for the fantastic live music and The Cuban for it’s amazing cocktails and carnival vibe.

Club Chemistry

(OK, you get two for the price of one here)

“I like the student vibe at Woody’s, the great drinks deals and the fact that it’s run by Kent Union. The music is always great and you don’t need to see a ‘celebrity’ to be amazed. I often go to Woody’s to check out the Live Music Society night and have seen some great student artists such as Make Friends With Strangers and Rebecca Vaughan - we have some amazing talent at this University!”
Jayna Rana, Comparative Literature and English Language and Linguistics

“We also love: Siesta for its quirky and unusual Fairtrade gifts, The Sewing Shop for their workshops on making stuff, Topshop for the discounts and Primark, which is HUGE! Keep an eye out for student discount nights in Canterbury – you can get up to 30% off in some places.

The Venue and Woody’s

“It’s a vintage shop and is just like Aladdin’s cave. It’s packed full of clothes, shoes and accessories. The staff are really helpful, especially if you’re after a bit of fancy dress.”
Rachael Smith, Drama & Theatre Studies

We also love: Canterbury Wind Staircase

Canterbury: the student view:

“It’s the most beautiful city I have ever and probably will ever visit, everything has a story and the cathedral is like nothing you’ve ever been into.”
Fiona Evans, Actuarial Science

“The buzz of the city – the street performers give it a London-esque feel, there are plenty of bars, pubs, restaurants, coffee shops and places to simply chill out.”
James Foster, Classics and Archaeology
You’ve seen the prospectus and maybe you’ve been to an open day but what’s it really like to live here? Even if you’re local, you’ll be spending a lot of time on campus and you may decide to live in the city after your first year.

Some advice from our current students

Our students have been in exactly the same place you are now: wondering which university to choose, whether to move away from home, what to pack, and a million other things. We asked them what advice they would pass on to you...

“Don’t set fire alarms off at 3 in the morning. Everyone in halls will hate you.” Rowena Mante, Linguistics

“Get out and see everything! Always say yes to something/somewhere you haven’t done or been to, but above all, if you see someone next to you who has no one around them, make the first move to start a conversation!!” Fiona Evans, Actuarial Science

“Don’t be shy, the more you speak in seminars the more you get to know people. And make sure you start essays as soon as possible.” Bethany Freeman, History

“Don’t bother with an umbrella. Bring a nice warm rainproof (and probably wind resistant) coat instead.” Lee Palmer, Economics

“Take advantage of the societies on campus because they’re a great way to meet people and pick up hobbies.” Cody Henault, History

“Have fun and enjoy your independence. You shouldn’t feel the need to make a ton of friends or go out drinking every night. It’s far more rewarding to just be yourself and live the way that you want to live.” Sam Branton, English and Film Studies

“Do it. Kent is one of the top universities in UK and by the time you graduate it is going to be even higher up the rankings. It is a safe environment with very friendly staff. I study Politics and the lecturers are amazing. You won’t be bored, but it’s peaceful enough for those times when you want to calm down and relax. Get involved with the Student Activity Centre. Kent has amazing volunteering opportunities and your CV will look awesome.” Diamantina Stavrianou, Politics and International Relations

On-campus

“The best thing about campus life is the closeness and accessibility of everything and also the fact that your new-found buddies aren’t too far away either! It takes the confusion and homesick feeling away when you live on a campus where lots of people are new and unfamiliar too.”

Carla Williams

“Accommodation is of a really high standard. You can live in a self-catering house and cook for yourself, or you can choose an en-suite room in halls if you don’t fancy sharing a bathroom (although I braved it for a year and survived!) Also, it’s very safe on campus; you can even request an escort (from our very own campus security) if you’re heading home from the numerous bars or The Venue!”

Sian Ferry

Self-catered accommodation

According to Charlotte, Park Wood, a purpose-built student village on the edge of campus, is the best place to live:

“Living in Park Wood houses this year has been really good. I live right near Essentials and Woodys, so it’s brilliant! The walk to central campus is really nice, it’s a lovely student village, and there’s so much nature! I love the rabbits, they totally make Kent.”

Charlotte, Biological Anthropology

While Hannah Greenfield says:

“Tyler Court is a wicked place to live as it’s in the centre of all the action. You’re right in the heart of campus life – near to the restaurants, The Venue and the library – and in summer you literally have a park on your doorstep. The rooms themselves could not be nicer, with en suites and plenty of space, as well as each flat having a huge kitchen for the culinary nightmares! I would definitely recommend it.”

Hannah Greenfield

Part-catered accommodation

“Living in halls means you’re just two minutes from the library, shop, bars and lecture theatres. Everything you need is right on your doorstep. You can roll out of bed and get to your lecture in five minutes! Lazy? Well it’s hard being a student! As you only live in halls for one year, you may as well make the most of it. Plus, it’s great to have a cooked breakfast waiting downstairs after a good night out, and if you’re not up in time for breakfast, you get credits towards an evening meal.”

Lee Hulme

“The facilities are on my doorstep and it really makes life easy! I have learnt to be responsible and function on
Looking off campus

Many of the landlords have let their properties to students in previous years. It is usually an advantage to deal directly with landlords or owners, as a letting agent will charge fees or commission.

See [www.kent.ac.uk/accommodation/canterbury/off-campus/index.html](http://www.kent.ac.uk/accommodation/canterbury/off-campus/index.html) for advice and information about finding off-campus housing.

**Fast facts: Living off-campus**

- Three universities in Canterbury; 25,353 students live in the city
- 8,577 students living in 2,350 houses of multiple occupation
- Average students per household: four
- Average rent per room [not including bills]: £75-£90 per week for a 52-week contract
- Average number of properties viewed before signing a tenancy: two-three
- Most popular areas: Hales Place, St Dunstans, St Stephens and Rough Common.

If you live on campus, here’s what you get:

All rooms have access to the following: the internet and email, network files and public printers, and contents insurance for your personal belongings. Most rooms don’t have TVs or TV aerials. If you want to have a TV in your room, or watch programmes, as they are shown, via your pc, you’ll need a TV licence.
