

Recruit a University of Kent graduate free of charge

What can Kent graduates offer local employers?

- They are intelligent, motivated and quick to learn.
- They are flexible and open-minded and able to take the initiative.
- They have good communication skills, both spoken and written.
- They have developed skills in analysis, logical thinking and the use of information through their degree studies.
- A degree from one of the top thirty universities in the UK (Guardian 2008 Higher Education League Tables).

Subjects taught at Kent include:

Business Administration, Management Science, Accounting & Finance, Law, Economics, Health & Social Care, Psychology, Criminology, Computer Science, Multimedia Technology, Electronics, Physics, Forensic Science, Biosciences, Mathematics & Statistics, Conservation, French, German, Italian, Spanish, Architecture, Pharmacy, Tourism Management, Civil Engineering, Construction, Music Technology, Sports Therapy, Health & Fitness.

How can the University help you to recruit graduates?

We can advertise your vacancies free of charge in our online vacancy database at any time of year. This database includes permanent and temporary graduate vacancies, placements, summer internships and vacation work.

You are welcome to send us your vacancy details by:

Email: careervacs@kent.ac.uk

KentGrads Database of Kent Employers

www.kent.ac.uk/careers/kentopps.htm

This is our online directory of potential recruiters of graduates in Kent. If you would like your organisation to be included in KENTGRADS, please fill in the form at www.kent.ac.uk/careers/kentgradsform.html There is no charge for this.

The main university campuses are at Canterbury and Medway but there are centres at other locations in Kent, and also in France and Belgium.

“We received seven applications (from your university) and invited five of these people to interview. The candidates were of a very good standard and we would happily have recruited more than one if resources allowed. So, thanks for your help. This has been very successful.”

If you would like further information on these services, or to discuss other ways we may be able to help you, please contact us.
