NOTES
The Provisional Module Registration Form overleaf is for completion by students registering for a Junior Year Abroad; Fall Semester; Spring semester or a JYA Diploma.

Unlike courses at institutions in other countries, which normally run for one semester only, modules at the University of Kent vary in length. Please make sure you select modules for your correct period of study.

Please note that some modules are weighted at 15 credits and others at 30 credits, and you should be aware of this when making your choice. For more details, see www.kent.ac.uk/courses/short-term/ or the publication Junior Year Abroad (JYA).

Please select your provisional modules as follows.

**JYA English PLUS**
You do not need to select provisional modules at this stage.

**Junior Year Abroad**
Students should choose 60 credits during the Autumn Term and 60 credits during the Spring Term. The modules should be at Certificate, Intermediate or Higher level (offered at Stages 1, 2 or 3). Please select an alternate module in each term in case one of your chosen modules is fully subscribed or withdrawn.

**Fall Semester**
Students should choose modules totalling 60 credits during the Autumn Term. The modules should be at Certificate, Intermediate or Higher level (offered at Stages 1, 2 or 3). Please select an alternate module in the Autumn Term in case one of your chosen modules is fully subscribed or withdrawn.

**Spring Semester**
Students should choose modules totalling 60 credits during the Spring Term. The modules should be at Certificate, Intermediate or Higher level (offered at Stages 1, 2 or 3). Please select an alternate module in the Spring Term in case one of your chosen modules is fully subscribed or withdrawn.

**Diploma programmes**
Students should choose 60 credits during the Autumn Term and 60 credits during the Spring Term. Please consult www.kent.ac.uk/courses/short-term/ or the publication Junior Year Abroad (JYA) 2012 for details of the compulsory and optional modules required for your particular diploma.

The award of a diploma is dependent on the successful outcome of your examinations.
