

Temporary borrower application: students from other universities

I wish to apply for registration as a temporary borrower of the Templeman Library, at the cost of £10 per borrowing period (the available borrowing periods are: Winter Vacation, Spring Vacation, July, August, and September).

If given borrowing access, my book allocation will be eight books for up to four weeks at a time, during University of Kent vacations only. Books can be issued from the first day of the vacation and not beyond the first day of term.

The scheme excludes borrowing of journals, and any use of Core Text Collection, Part Time Collection and multimedia material.
