9th - 11th April, 2010: Call for Papers

INTERDISCIPLINARY POSTGRADUATE CONFERENCE

to be held at St. Andrews, arranged jointly by:
**Centre for Medieval & Early Modern Studies, University of Kent
and St. Andrews Institute of Mediaeval Studies**

This Postgraduate Conference aims to bring together post-graduate researchers from different disciplines whose work investigates the ways in which knowledge about the natural and supernatural worlds was transmitted in the Middle Ages. Interactions between literate and non- or semi-literate groups necessitated the use of images and objects either alone or in conjunction with texts in order to communicate this knowledge.

Papers and presentations are invited which explore the mediations between images, texts, and objects. We also invite proposals for round-table discussions, workshops, or demonstrations involving the practical use of such images or objects.

Please send your 300 word abstract and relevant image to Patricia Stewart at ps273@st-andrews.ac.uk or Diane Heath at deh4@kent.ac.uk by 1st December, 2009.
