

ACADEMIC and STUDY SUPPORT WORKSHOPS, AUTUMN, 2011-2012

The School of Psychology is providing these *optional* workshops/drop-in sessions in response to past student feedback. They are designed to provide additional support and advice.

They will be staffed by an experienced part-time teacher (Associate Lecturer) and a lecturer, Dr Wendy Iredale. In addition, at most sessions a further lecturer will be in attendance. Their role is to try and address any questions you have related to coursework. The timetable for Autumn term is as follows:
