The ideal course to build and develop your footballing skills. During each one hour daily session there is an opportunity to practice ball control, pitch spatial awareness and shooting with our qualified football coaches. This culminates at the end of the week with match play and competitive activities.

KWIK CRICKET
Kwik Cricket aims to provide children of all ages with an opportunity to regularly participate in a fun introduction to cricket and to encourage fair play by all. The format is suitable for all ages and the coaches ensure that whilst there is an element of skill development, most of the time is spent on different types of match play.

RUGBY
TAG Rugby is a safe, fun and exciting form of non-contact rugby as there are no scrums, line-outs or tackling allowed which makes it suitable for both boys and girls of all ages and abilities. TAG Rugby sessions help children become accustomed to running with a rugby ball in their hands. Qualified coaches teach the basics of rugby in a fun environment that is enjoyable for everyone.

HOCKEY
Hockey is not a sport played in many primary schools but these daily one hour sessions aim to give children a basic understanding of the main skills required. Coaches will teach the fundamentals of the sport in an enjoyable way.
