

MA in International Social Policy

MA in International Social Policy
and Organised Civil Society

MA in International Social Policy

MA in International Social Policy and Organised Civil Society

Are you interested in exploring policy issues in an interdisciplinary environment?

Would you like to study at the UK's leading European university with strong links to the continent?

About the programmes

- Two new Master's programmes aimed at people who want to understand the connection between global and local social policy, and to study state or non-state institutions of welfare provision.
- Run by the School of Social Policy, Sociology and Social Research (SSPSSR), rated one of the top Social Policy departments in the 2001 and 2008 UK Research Assessment Exercise (RAE). External evaluations also rate Social Policy teaching as 'excellent'.
- Taught by internationally renowned policy scholars conducting cutting-edge research.

Course content

Two 12-month Master's programmes* to choose from:

- International Social Policy
- International Social Policy and Organised Civil Society.

(* Part-time enrolment possible)
