UPDATE Postgraduate programmes at the Tonbridge Centre
The University of Kent is exploring options to develop postgraduate programmes at our Tonbridge Centre for 2016.

This could be of interest if you have a passion and motivation to develop your knowledge in the following subjects:
History of Art
English and American Literature
Creative Writing

Although Information Events were held at the Tonbridge Centre during the summer, you can still register your interest. Please contact us or complete the postgraduate survey on our website. There is no commitment at this stage; the University is hoping to develop a range of programmes according to the interest shown.

Postgraduate programmes are designed for graduates. Some programmes are also available with equivalent experience and an aptitude and motivation for study at this level. Applicants will be considered on an individual basis.

Keep informed and updated!
To make sure that you do not miss out on all Tonbridge Centre updates and extra courses that may be available after the programmes have been printed, please ensure that we have your current email address*.

If you are new to our programmes and would like to register your interest, please email tonbridgeadmin@kent.ac.uk
