WELCOME

We hope you will enjoy your time living on campus at the University of Kent. Our cosmopolitan student community will give you a unique opportunity to make new friends from around the world.

The University is committed to the creation and support of a balanced, inclusive and diverse community and anticipates that all residents will contribute by treating everybody with courtesy and respect. This booklet is intended to help everyone to live and work together in a safe, stress-free and civilised environment.

Your accommodation will be your home for the next nine or twelve months. We ask that you keep it clean and tidy and take care of it during your time here, so that when you leave it will be in good condition for those following you.
ABOUT YOUR ACCOMMODATION

The information provided in this booklet forms part of the terms and conditions which you agreed to when accepting your online offer of accommodation at the University of Kent.

The University of Kent has signed up to the Universities UK Code of Practice for University Managed Student Accommodation. This covers health and safety, maintenance and repair, good management practice and will also assist students to understand their obligations as responsible residents see www.thescac.org.uk

Accommodation Office
This office deals with applications for University accommodation, both during term-time and vacation periods. It allocates rooms to students, issues room agreements and charges residence fees.

The Accommodation Office is located in Tanglewood, near Keynes College and is open from 09.00 to 17.00 Monday to Friday. Contact them for general accommodation enquiries on 01227 766660, or accomm@kent.ac.uk, or visit www.kent.ac.uk/accommodation

Arriving at the University
Your room should be clean and tidy when you move in. Should you find any existing defective items or damage within your room on arrival, please report this straight away via our online defect reporting system at www.kent.ac.uk/accommodation/report-defect

College accommodation
Colleges are locked at midnight but residents can use their room fob to gain entry after this time. All non-residents are required to leave before midnight. If you intend to be absent from your room for more than three days, please inform your local Reception.

Students living in Becket Court and Keynes main building will need to vacate their rooms for both the winter and spring vacations. During the winter vacation belongings may be left in your room (at your own risk) but for the spring vacation all belongings must be removed, as the accommodation will be used by conference visitors.

Residents of Rutherford and Eliot Colleges can occupy their rooms for the winter and spring vacations, except for the University’s two-week closure period over Christmas and New Year. However you will be able to leave your belongings in your room for the closure period.

Your meal entitlement will be available via your room fob, which you collect on arrival at the University.

For residents in Eliot and Rutherford Colleges, the Bed and Flex dining scheme is available at many different locations across Canterbury campus, seven days a week during term-time.

For residents of Keynes main building and Becket Court, breakfast and an evening meal are available in Dolche Vita, Monday to Friday, and in Rutherford dining hall at weekends during term-time only.
Contact information for the College Masters and the Masters’ Office and College Support Co-ordinators can be found at the back of this handbook and at www.kent.ac.uk/student/colleges.

Insurance
Your rent includes room insurance for loss of personal possessions up to £6,000 in respect of claims arising from fire, flood or theft within the accommodation area, including losses by walk-in theft. You will be able to arrange additional cover online at the insurer’s website, for accidental damage or all risks on high value items such as mobile phones and laptops. For further information, see www.kent.ac.uk/accommodation.

Internet and Wi-Fi
Your bedroom on campus has wired internet for your laptop. It’s easy to set up: plug in the red cable and open a web browser to follow the process on screen. Step by step instructions are in the Get Connected booklet in your bedroom.

The student Wi-Fi service (eduroam) works in your accommodation and across campus. Check your phone, tablet, laptop etc is using eduroam. There is also free public Wi-Fi for visitors (WiFiGuest), but it won't offer the full speed and access that eduroam gives you. For more details see www.kent.ac.uk/itservices/wireless.

Keys
You will be provided with either a key and/or an electronic fob for your bedroom and access to your building.

If you are based in Becket Court and Keynes College main building, you will be issued with a fob on a termly basis and you must return your fobs to the Reception at the end of each term.

Students in Eliot and Rutherford Colleges must return their fobs at the end of the Autumn term.

College membership
College membership is a feature of the University’s collegiate identity. Each student becomes a member of one of the six Colleges, whether they live on or off campus, in part-catered or self-catered accommodation. Membership is assigned based on your first address on campus.

The Master’s Office in each College is there to offer advice, help and support if you need assistance with any welfare or behaviour issues. All matters will be dealt with in the strictest confidence.

The Master’s Office is also responsible for enforcing the University’s Non-academic Discipline Regulations for students. This is the code of conduct which all students must abide by during their time at University.
If you do not return your fob, you risk a charge of £25 for a fob replacement, as well as charges for not vacating your room on the specified date. Also, you will not be able to re-enter your room as the fob will have expired. Re-programmed fobs can be collected again from your nearest accommodation Reception when you arrive for the new term.

All other students must return their fob/key at the end of the period of residence. Again, charges will be incurred if this is not done.

Rooms must not be left unlocked when you are away from your residence. Security of keys and fobs is paramount to the safety of personal belongings and if they are lost this should be reported to your Reception without delay. You are not permitted to give your keys to any other student or unauthorised person or to sublet your room, under any circumstances.

Misuse of keys/fobs is a disciplinary offence and you should be aware that handing back keys to a room does not free you from the charges or obligations of your room agreement.

A charge of £25 will be made for the replacement of lost keys/fobs. This will be refunded only if the original key/fob is found and returned to the relevant Reception within seven days. Duplicate keys cut outside the University are not acceptable.
Reception services
Receptions are located in each college (Darwin, Eliot, Keynes, Rutherford, Turing and Woolf), in Park Wood Administration Building and in Tyler Court (Block A). This is where students collect their keys/fobs, mail and parcels. The receptions also provide a photocopying and general information service. Details of opening hours are available at www.kent.ac.uk/receptions.

Recycling facilities
Most self-catering accommodation has facilities for the disposal of recyclable items such as paper, card, plastic, tins, cans and so on. Glass bottles and jars can be taken to any of the many collection points around campus. Your college Reception can give you advice on other items such as electricals and batteries, and can provide bags for putting used clothes, shoes, books and accessories into any of the British Heart Foundation collection points. Find out more at www.kent.ac.uk/recycling or email estates-recycling@kent.ac.uk.

Room transfers and vacancies
Please note that students are not permitted to make informal exchanges of rooms. All room transfers must be arranged with and authorised by the Accommodation Office.

This is to ensure a new room agreement is created so that each resident is charged accurately.

Requests for room transfers cannot be considered before early November and students will need to visit the Accommodation Office to apply for another room. An administration charge is made, once a transfer has been agreed, arranged and completed.

Room transfers are not automatically granted and requests from new students or those living off-campus are given priority for any vacant rooms.

Reasons for moving that involve disputes or complaints with neighbours should in the first instance be referred to your College Master, who may be able to resolve the cause of any problem.

Telephones and messages
Where provided with a telephone, residents are able to use the University internal telephone system only. It is not possible to receive incoming telephone calls to this system. No additional telephone lines or satellite dishes may be installed in any University accommodation.

Please ensure that you keep in regular contact with your families to avoid unnecessary worry and inform another resident if you intend to be away from your accommodation.
ABOUT YOUR ACCOMMODATION (CONT)

It is not possible to provide an individual message service for so many residents and the administration staff will only take extremely urgent emergency messages.

TV licence
A TV licence is required by law for each television in a shared house, flat or College bedroom. If however the room has a fixed television provided, then the University will cover the TV licence. One licence does not cover several televisions in shared student accommodation. Please note that detector vans patrol the campus regularly, and fines can range up to £1,000 for unlicensed televisions. Use of a laptop, games console or mobile phone to watch live TV will still require an individual TV licence. For further information and guidance, visit www.tvlicensing.co.uk

Vacation residence
To keep students’ rents as low as possible and allow the University to maximise income from the residences, our facilities are let to outside bodies for conferences and events during the spring and summer vacations.

Students who wish to remain in residence during any vacation not covered by their contract may do so (subject to availability), although they will not be able to retain their term-time room and will be offered a room in separate student-designated accommodation areas. This will be charged at normal student term-time rates.

Visitors
You may wish to invite other friends to visit. If you have a visitor, you are responsible for their conduct and behaviour and any damage they may cause. You should accompany them at all times to ensure they do not annoy or inconvenience other residents. No keys and/or fobs should be given to any visitor, and they should not be left unaccompanied in the accommodation. Any visits should be arranged in advance, so that other residents know, and be restricted to three nights maximum, preferably at weekends. Unplanned, regular, or too frequent visits should be avoided to reduce overcrowding the facilities and inconveniencing other residents. It is advisable that no guests stay in student accommodation overnight during the first week of the start of the accommodation agreement.

If complaints are received from other residents or security staff about the conduct of any visitor, the University authorities reserve the right to deny them access in the future.

Visual room checks
Visual room checks can be undertaken at any time, with or without the licence holder being present. These checks will be carried out by staff from the Safety, Health and Environment Unit, Kent Hospitality Health and Safety, Estates Health and Safety and Kent Hospitality Housekeeping staff.
Once your departure date has been confirmed, before or on that date, you must:

- return your keys or key fobs
- leave your room and the property in a clean and tidy condition
- have paid any accommodation fees due to the University.

Any refunds of accommodation fees due after departure are administered by the University Income office.

Completion of residence period

At the end of the period of residence, the following arrangements should be made:

- Inform the University’s Student Records Office of any forwarding address
- 10.00 is checkout time on the morning of your agreement expiry date.
- All rubbish should be removed, the room/house cleaned by the resident and furniture restored to its original position
- The University will not accept liability for items left in the accommodation at the end of the letting period. Any items found will be treated as unwanted refuse and disposed of immediately.

Please note that charges will be added to your student account if additional costs are incurred for any necessary cleaning, repairs, redecorations, appliance or furniture moving, rubbish removal etc.

Window restrictors

For safety reasons, you should not tamper with the safety restrictors on the windows in your accommodation.

Withdrawing from the University

If you decide to leave the University and withdraw or intermit from your course, you must inform the Accommodation Office at Tanglewood and your academic school in writing, as confirmation will be required in order to process your Notice Letter. If you fail to do this you will continue to be charged for your accommodation whether or not you are still living there.

Students should vacate the accommodation within a reasonable time period, usually within two weeks of their official intermission/withdrawal or de-registration.

Once your departure date has been confirmed, before or on that date, you must:

- return your keys or key fobs
- leave your room and the property in a clean and tidy condition
- have paid any accommodation fees due to the University.

Any refunds of accommodation fees due after departure are administered by the University Income office.

Leaving University accommodation to move home or into privately rented accommodation

If you wish to leave your accommodation, but are intending to continue to be a registered student of the University, you will only be released from your licence if a suitable replacement student (i.e., one who is not currently in University managed accommodation, and who is the same gender can be found). You will have to pay for your University accommodation until a replacement student accepts liability for your room and a new Agreement.

A full list of student regulations is available at www.kent.ac.uk/regulations/Regulations%20Booklet/Student-Discipline-regsJune%202015).pdf. College Masters take breaches of these regulations seriously.

Non-academic discipline and the University Regulations

All students are required to abide by the University Regulations, for the well-being of our community, and you must familiarise yourself with them.

They cover, for example, health and safety, the general conduct expected of students, car parking and policies on alcohol, smoking and drugs.

The underlying principles are simple: familiarise yourself with the basic rules and treat others with respect. Do not act in an inconsiderate or disruptive manner. Ignorance of the University’s Regulations is no excuse.

The following University websites should be consulted for information about the regulations and policies governing the conduct of students:
- www.kent.ac.uk/student/colleges
- www.kent.ac.uk/regulations
- www.kent.ac.uk/safety

Anyone in breach of these regulations may be subject to non-academic disciplinary procedures, and severe penalties may apply.

Drugs

Possession or taking of illegal drugs are criminal offences and not acceptable. Drug dealing will lead to police action and could result in exclusion, the termination of an accommodation licence and termination of registration.

The University’s policy statements on alcohol and drugs (substance misuse) and disciplinary procedures relating to drug use can be found at www.kent.ac.uk/regulations

Noise and neighbours

Residents are required to keep noise down to a tolerable level at all times and the regulations concerning noise are given below.

Failure to comply with these regulations is a breach of the conditions of your accommodation agreement which could expose
residents to a variety of disciplinary actions, such as confiscation of sound equipment, fines, transfer to alternative accommodation, or even termination of the room agreement.

- In all accommodation, noise levels must be kept at a low level at all times and cease altogether between the hours of 23.00 and 07.00.
- The need for quiet is especially important during the revision and examination period. During the summer term there is a 24/7 noise ban and no noise should be audible from within an individual’s room at any time of day or night. Care should also be taken not to create any disturbance in common areas, or when outside close to residences. Even if your own examinations have finished, other students may still be revising and this should be respected.
- Advertising and holding of parties with loud music being played and heard from outside is not permitted.
- Residents are not to play musical instruments, nor have any form of amplification or musical reproduction, outside the accommodation, nor situated so that it can be heard outside.
- Music practice rooms are available and access to these can be arranged (by permit only) through the Music Assistant in the Colyer-Fergusson building. For full details see www.kent.ac.uk/music/practicerooms.html and www.kent.ac.uk/timetabling/stusocbook/studentbooking.html
- The University reserves the right to temporarily confiscate sound equipment in cases where severe noise disturbance is caused to other residents. This step will be taken if necessary to meet the demands of the general interest of the community.

The most important thing is to be considerate of others. Any neighbour is entitled to ask you to stop making a noise if it disturbs them. Please be aware that you may not be the best judge of how much noise you are making. If you are asked to be quiet, please try to co-operate with the person making the request. Certainly you should not be rude or aggressive.

If you return to your accommodation after midnight, please do so quietly. In particular you should avoid shouting or having loud conversations outside rooms where people may be sleeping and you should not slam doors or run loudly up and down stairs.

Security staff are available 24-hours a day on 01227 823300 or ext 3300 to attend any noise disturbances. Campus Security pass reports on incidents that they attend to the College Masters, who have various powers available to them.

Issues arising from noise are usually resolved through dialogue between residents with a view to agreeing shared expectations. However, any complaints or disputes arising from inconsiderate or noisy neighbours, which remain unresolved, should be put in writing and directed to the College Master responsible for your accommodation. Your complaint should be short and factual, with descriptions of the types of problems experienced including times, dates etc. You should detail your name, your campus address and email and the room number and name, if you know it, of the person or persons causing any problem. College Masters may then wish to interview you to check details before deciding on any appropriate action to take. Confidentiality will be respected if requested.

**Penalties**

Various penalties are available and a full list of penalties can be found at [www.kent.ac.uk/regulations/Regulations%20Booklet/Discipline-Appendix-2-2015.pdf](http://www.kent.ac.uk/regulations/Regulations%20Booklet/Discipline-Appendix-2-2015.pdf). Penalties also include the authority to recommend to Kent Hospitality that a student’s accommodation licence agreement should be terminated.

In addition to the fines imposed by College Masters, students can be charged to replace any damaged items in their accommodation. In the past these charges have ranged from £50 for a replacement microwave up to several thousands of pounds to replace a burnt out kitchen.
HOUSEKEEPING INFORMATION

Bedrooms
Furniture and fittings must not be removed from rooms. When you leave, all furniture must be left in the same position as it was when you first arrived. A charge may be made for any furniture which has to be repositioned.

Single rooms are designed for occupancy by one person only. No persons other than the authorised resident are permitted to occupy the room or any other part of the accommodation.

Pictures, posters and other decorations may only be temporarily affixed to walls, so as not to cause damage. It is the responsibility of the resident to carefully remove any items from the walls at the end of the agreement period.

Cleaning
If you have en-suite facilities in your room, the Housekeeping staff will provide a top-up clean on a regular basis. However all residents are responsible for cleaning their own bedrooms and are collectively responsible for the cleanliness of communal areas. All residents are expected to participate in keeping their accommodation clean.

The University reserves the right to employ contract cleaners if hygiene and cleanliness fall below a reasonable standard. In this event residents will be collectively charged the cost of the cleaning.

Appeals against decisions should be made in writing to the Executive Manager of Housekeeping at Kent Hospitality, whose decision is final and binding.

Charges for damage, breakages or losses
Damage to University property, whether wilful or due to negligence, will be charged to the student(s) responsible. Where no culprit can be identified for damage caused in a shared area, the relevant damage charges will be divided equally between all residents in the area.

Housekeeping Managers and Supervisors are authorised to impose charges on residents for any damages caused in their residences.
Residents of houses also risk being fined and transferred into College accommodation if they fail to keep their kitchen, bathroom and other shared areas in a clean and tidy condition on a regular basis.

Please note that residents must provide their own cleaning materials but the use of bleach is NOT allowed.

Residents should wash up their own plates, utensils etc and clean the cooker/microwave immediately after use, so that other tenants are not inconvenienced. Residents must also regularly clean and defrost fridges and freezers. Similarly, residents must clean any bath/shower immediately after use and keep the toilet in a hygienic condition.

A team of domestic assistants provides a strictly limited supplementary cleaning service under the direction of the Housekeeping Supervisors.

This service is only intended to supplement the cleaning already carried out by the occupants.

Further details of the cleaning service provided will be available in your bedroom or from your local Housekeeping Office.

Residents must allow free and unhindered access to the accommodation and shared facilities by cleaning staff. Residents must also ensure that their conduct does not prevent the cleaning staff from carrying out their duties.

The Housekeeping Managers maintain room and house inventories and carry out formal health and safety inspections on a regular basis. These determine whether any charges will be added to your student account.

Furnishings, fittings and equipment

On arrival each resident is required to check their room and report any problems to their Housekeeping Supervisor or local Reception. It is important that residents report any damage on arrival, to avoid being charged for it at a later date.

Students are individually responsible for their own room and are collectively responsible for furnishings, equipment and cleanliness in the shared parts of the buildings.

Inspections are carried out during and at the end of the residency period. More detailed advice concerning cleanliness etc is issued to residents prior to the end of the agreement when the accommodation is vacated. Residents are charged for any missing items or damage caused to any part of the accommodation.

Residents are not permitted to install additional furniture or electrical appliances in rooms or communal areas within the accommodation because of safety, space and other legal restrictions.

Residents are reminded that personal belongings should not be left on the premises after termination of the agreement. Any items left will be disposed of. The University does not accept any liability for articles left, either inadvertently or otherwise, after the occupant leaves the accommodation.
If you need to arrange storage of your personal effects, details of local storage companies are available from the Accommodation Office at Tanglewood.

**Reporting repairs and maintenance defects**

Residents must report any maintenance defects or other problems with their accommodation as soon as possible.

Reports can be made online at www.kent.ac.uk/accommodation/report-defect. Please note, this doesn’t apply to Woolf College residents.

The maintenance and repairs of University buildings are carried out by University Estates and maintenance staff. In Woolf College and Turing and Keynes flats and houses, maintenance is carried out by University Partnership Programme (UPP) staff. In addition, approved external contractors may also need to access buildings on occasion to carry out necessary specialist repairs or maintenance.

Please note, the University and UPP do not offer a 24-hour, seven days a week maintenance service, unless a call out is required for any major emergency, such as a flood or power failure.

Any emergency repairs required outside office hours should be reported to Campus Security, who will decide whether a repair is urgent and will call out a member of the maintenance team where necessary.

Normal working hours are 08.00-16.00, Monday-Friday, when all minor maintenance work is undertaken. Any faults reported outside of these hours will be responded to on the next working day.

**Level of response is indicated below:**

- **Emergencies – within one hour**
  - Floods (either from pipework or leaking roofs)
  - Glazing (where security or safety is compromised)
  - Electrical shutdown of a building
  - People trapped in a lift
  - Gas leaks
  - Fire alarms
  - Serious trip hazard
  - Bare electrical cables

- **Emergencies – by the end of the working day**
  - No heating (when reported before 15.00)
  - No water
  - Lighting (where it provides the only illumination in an area)
  - Lights on staircases

- **Urgent – within 24-hours**
  - No hot water
  - Shower not working (where it is the only one in a house)
  - Localised electrical failure
  - Security lighting
  - Blocked toilets or drains
  - Lifts out of action
  - Corridor lights
  - No heating (when reported after 15.00)
  - Removal of graffiti
  - Problems with insects/rodents (will be dealt with by a specialist external contractor)

- **Non-urgent – within five working days**
  - Lighting (where it is one of a number in an area)
  - External lighting
  - Door closers
  - Unable to open windows
  - Tiling to showers

Estates and UPP staff aim to carry out all necessary maintenance work so as to minimise inconvenience to residents.
This will not always be possible if unexpected and unplanned (reactive) maintenance is needed. For planned maintenance seven days’ notice will normally be given, where possible, to residents and every effort will be made to avoid examination periods. For urgent work the minimum notice will be 24-hours unless an emergency requires immediate action.

Where repair or maintenance work is necessary due to damages caused by residents or their guests, residents will be notified of the total costs and charges for any repair as soon as practicably possible and these charges will be added to your student account with the University.

Any faulty street lighting should be reported to the nearest Reception or Campus Security on ext 3300.

Not all defects can be fixed immediately, as sometimes delays can occur if spare parts are difficult to obtain or the fault needs an outside contractor. Residents should check with the Housekeeping Supervisor on the progress of any repairs.

Refurbishment work may be carried out while you are in residence – we aim to respect your privacy and keep any disruption to a minimum. Refunds of rent for maintenance failures are only made in very exceptional circumstances and only following a written report to the Executive Manager of Housekeeping at Kent Hospitality. No refunds are considered where the fault is beyond the University’s control, eg a power cut or difficulty or delays in obtaining a spare part. Refunds of rent are not made in respect of noise disturbance.

Information regarding the Universities snow and ice clearance policies is available here: www.kent.ac.uk/estates/policies/?tab=snow-and-ice

**Environment and waste disposal**

Residents are responsible for the removal of rubbish from their accommodation. Refuse must be placed in the black and green sacks provided by Housekeeping and then put outside in the wheelie bins in designated areas.

Sharp items such as tin cans, glass bottles etc must be disposed of in the special bins provided and not put in the black sacks. Feminine hygiene products must be disposed of in the sanibins provided and not flushed down the toilet.

The University aims to behave as an environmentally responsible body and to incorporate environmental awareness and sustainable development into all its activities. It is developing policies and strategies aimed at ‘greening’ its teaching, research, and operational activities.

You can help the environment by:

- **Reducing** the amount of resources you use, especially water and electricity
- **Reusing** items and getting the most from every product
- **Recycling** items for which there are collection points
- **Using** public transport, cycling or walking.
HEALTH AND SAFETY

General conduct
While at the University you are expected to act responsibly and behave in a way that does not endanger you or other people, and does not damage property. This includes:
• Obeying all safety signs, warnings and instructions
• Only using apparatus or machinery under staff supervision or after receiving instruction/training
• Reporting all accidents and near misses (events with the potential to cause harm or injury).

Fire safety
Key requirements you must observe:
• Always evacuate immediately when the fire alarm sounds
• Cook safely – do not overheat or overcook food, and never leave cooking unattended
• Do not use candles, incense or prohibited electrical appliances
• Do not tamper with any fire equipment and do not hold fire doors open
• Know how to avoid causing false fire alarms

See below for further details on all the above.

The University takes fire safety very seriously – offences or negligence can result in substantial fines of up to £2000. If the individual responsible cannot be identified, fines can be distributed between all residents of the house, flat or corridor. The University reserves the right where appropriate to apply other disciplinary measures or to terminate the Accommodation Agreement. Certain offences may also be subject to criminal proceedings.

Fire evacuation – what you should do
Fire procedures are very simple but could save your life. Fire Action Notices are displayed near all building exits – make sure you are familiar with them, and with your escape route(s).

Failure to evacuate promptly may put other people’s lives at risk too, and is a disciplinary offence.

Be aware of the day and time of the weekly fire alarm test (see page 5). Even at these times, if the alarm sounds continuously for longer than one minute you must evacuate immediately.

If you discover a fire:
• Keep safe – retreat from the fire
• Raise the alarm immediately by breaking the nearest fire alarm call point
• Leave the building quickly
• Do not attempt to extinguish the fire – this can be extremely dangerous and should be left to Security staff or the Fire & Rescue Service
• For almost all buildings, Campus Security are alerted automatically and attend within seconds
• For the Park Wood Houses, telephone Campus Security immediately on 01227 82 3333

When the fire alarm sounds
• Switch off equipment and close doors and windows, only if rapid and safe to do so (a few seconds)
• Do not waste potentially life-saving time by finishing off work etc
• Do not delay or go elsewhere to collect possessions or join other people
• Leave the building quickly (but do not rush or panic unduly)
• Encourage others to leave if possible, but do not waste time persuading them
• Use the shortest exit route available if there are alternatives
• Do not use lifts
• Go immediately to the designated assembly point
• Report any relevant information to Campus Security (eg information about the fire or false alarm, or if you believe anyone is missing or needs assistance
• Campus Security calls the Fire and Rescue Service depending on the incident
• Do not re-enter building until authorised by Campus Security staff

Failure to evacuate promptly (five minutes maximum) may result in disciplinary action.

Cooking safely

Make sure you
• Know how to cook your food
• Don’t overheat or overcook it
• Stay with it – never leave cooking unattended (including toasters)
• Avoid cooking when very tired or ‘under the influence’ – get a takeaway instead
• Don’t trail kettle cables, tea towels etc across cooker surfaces

• Always switch hobs and ovens off after use
• Keep grill pans clean (these are a frequent cause of fires)
• All of the above have caused kitchen fires in the past. If you cause any fires or damage, you may be responsible for the cost of repairs, and if negligent this may result in disciplinary action.

Electrical equipment and fire safety

The following items are prohibited in all student accommodation:
• heating appliances
• cooling appliances including refrigerators* and air conditioning units
• tumble/spin dryers
• multi-way cube adaptors
• travel adaptors – except the approved types (available from Housekeeping or Essentials shops)

* Exceptions can occasionally be made for genuine medical requirements.

Residents in part-catered accommodation (Rutherford, Eliot, Becket Court and Keynes main building) are also not allowed any additional cooking equipment. Prohibited items include toasters, microwaves, grills and deep fat fryers.

Additional cooking appliances are permitted in kitchens in self-catered accommodation only (Darwin, Tyler Court, Woolf, Keynes flats and houses, Park Wood flats and houses, Turing flats and houses) but must not be used in study bedrooms or corridors at any time (this applies to all equipment including toasters and kettles).

When using electrical equipment:
• Keep electrical appliances away from combustible materials (paper, packaging curtains, clothing etc) – especially appliances which can get hot
• Place phone chargers, e-cigarette chargers etc on hard surfaces and never leave them unattended whilst in use – they are a known cause of fires
• Unplug equipment when not in use, especially irons, hair dryers, hair straighteners etc – place these on a hard surface to cool down. Fires can easily start after equipment cuts out due to excessive heat, then cools down and switches on again

Other fire risks

• If you use any products in aerosols, keep only the minimum quantity and always keep them away from sources of heat
• When disposing of cigarettes outside take care that they are fully extinguished
• Always store any larger quantities of combustible materials in cupboards (eg toilet rolls, cardboard cartons, etc) and avoid accumulation
• Loose posters etc on walls can spread fire rapidly, so fix them tightly

CONTINUED OVERLEAF
The following are prohibited in your building for fire safety reasons:

- Smoking, shisha pipes, vaping and use of e-cigarettes (also prohibited within 5 metres of all buildings under the University’s No Smoking Policy except in outside areas of licensed premises)
- Candles, incense/joss sticks, oil burners and all other naked flames
- Storage or use of fireworks of any kind
- Storage of dangerous flammable liquids or acids such as petrol or other fuels and solvents
- Use of barbecues

All escape routes (staircases, corridors, lobbies and doorways) must be kept unobstructed and free from all combustible materials and other fire risks at all times.

Fire safety equipment

Respecting the fire safety equipment provided is extremely important for everyone’s safety, including yours, and to comply with legal requirements.

You must not move, damage or tamper with any fire safety equipment, nor prevent or alter its operation in any way. This includes:

- fire alarm systems
- smoke and heat detectors
- fire extinguishers (there are critical for the safety of our Campus Security staff, as first responders to fires)
- electronic door locks
- fire doors and self-closing mechanisms
- fire door alarms (DorWatchers)
- automatic door holdback devices (DorGards, magnetic holdback pads etc)
- fire extinguishers

Never prop, wedge or hold fire doors open – unless they are marked “Automatic Fire Door” (in which case you must only use the device provided, eg DorGard or electromagnetic holdback). Fire doors save lives – in all of the fires pictured above, the kitchen fire doors prevented smoke and fire from entering the hallways/corridors.

Any failure to observe these rules will result in disciplinary action, and some offences risk a criminal conviction. If there has been a genuine emergency or accidental damage which has been reported to the Housekeeping Office, then the University will usually bear the cost.

Regular checks are made on all fire precautions. Should you have any doubts regarding your accommodation, please contact Housekeeping in the first instance.

Preventing false alarms

Nearly all false fire alarms in residences are caused by students. They can lead to complacency, which could lead to serious danger if someone fails to evacuate – so please help to ensure we avoid them.

Never activate the fire alarm without good intent (ie an actual fire, or genuine strong suspicion of fire). This is extremely serious, and subject to automatic disciplinary action with the highest level of fine – it may also result in a criminal conviction and imprisonment. Offenders may be identified via the University’s CCTV.
Disabilities, medical conditions, illness, injury and fire safety

If you have an impairment or medical condition which might affect your ability to evacuate in a fire or other emergency, and might need assistance, please contact the Safety, Health and Environment Unit (Michelle Dawson, telephone 01227 816163) who will arrange a Personal Emergency Evacuation Plan (PEEP) with you. Note that this also applies to temporary incapacity, eg if you are recovering from an operation, major illness or broken limb.

If you are unwell and think you might have difficulty evacuating if the fire alarm sounds, please advise Campus Security on (01227 82)3300. It may be advisable to contact Nursing Services and/or the Medical Centre.

Electrical safety

All electrical equipment (including power supplies/transformers, chargers, extension leads etc) must be:
• either new when first brought to the University, or tested as safe by a competent UK electrician
• CE marked
• kept clean and in good condition (casings and plugs undamaged, cables not frayed, etc)
• used only as designed and intended
• fitted with the correct fuse, and not modified in any way (including the use of incorrect fuses).

All electrical appliances should be unplugged when not in use.

Do not overload electrical sockets.

You must not use any electrical appliance designed for voltages other than 240V (eg from the USA where the standard voltage is 110V) without a suitable transformer.

To use any 240V electrical appliance with a non-UK plug, you must use only University-approved travel adaptors. These are available through retail outlets on the University campus, and are black in colour to aid easy identification. Two types are available. Always choose the correct adaptor for each appliance – for example, never connect an earthed Schuko plug to an adaptor without earth contacts at the rim.
Health and Safety

General health and safety

What you should do in the event of serious accident or illness

Stay calm – act quickly – call for assistance

All Campus Security staff are trained first aiders. Names of additional local first aiders are displayed on noticeboards.

If first aid is required, contact Campus Security by telephoning 3333 (01227 823333 from a mobile phone) and/or by using the SafeZone app. Report the accident or problem briefly and accurately, stating the exact location.

A trained first aider will take over on arrival, but be aware of the following basic first aid actions:

• Do not move the casualty unless in imminent danger. Stay with the casualty if possible. Take care not to endanger yourself

• In the case of suspected electric shock, do not touch the casualty unless confident that the current is switched off

• If vomiting, turn the casualty on their side to allow draining

• Stem any bleeding by applying pressure to the wound and elevating the affected area

• Reassure the casualty that help is on the way.

In case of an obviously life threatening condition such as heart attack or suspected stroke, dial 999 immediately for an ambulance, then advise Campus Security of the location (they may need to guide the ambulance driver).

Food hygiene

The responsibility is yours. Please observe the following simple rules when preparing and storing food:

• Wash your hands before preparing food

• Keep cooked items separate from uncooked raw meat

• Do not eat food when the ‘use by’ date has expired

• Clean and defrost the fridge regularly, particularly if you have any spillages

• Keep the grill pan and all other cooking equipment clean

• Report any malfunctioning thermostats to the Housekeeping Office.

Multi-way ‘cube’ type mains socket adaptors are strictly banned. Trailing 4-in-line or similar extension leads are acceptable, providing they are in good condition, are not overloaded and are switched off when not in use.

Electrical leads must not be allowed to trail from one room to another, cause tripping hazards, or be used in such a way as to cause chafing or straining which could lead to an electrical hazard.

You are not permitted to install any additional electrical wiring, nor erect aerials anywhere in or on University buildings (other than domestic type free-standing aerials within study bedrooms).

The University reserves the right, in accordance with the Electricity at Work Regulations 1989, to check all electrical equipment on its premises for safety and to ensure that it is used safely.
Within your accommodation the following are not permitted:

- Suspending cord for use as a clothes line
- Storage of bicycles
- Storage of firearms, knives, dangerous implements or weapons of any kind
- Tampering with any of the heating or electrical systems
- Accessing any roof or entering any roof space

Other potential safety hazards

- Worn or dangerous stair carpets
- Loose fixtures and fittings
- Disposal of sharp objects such as broken glass, razor blades etc.

Please ask for advice from Housekeeping staff on any safety matter which you are unsure about.

House/flat and room inspections

During the course of the letting period, residents should be aware that regular health and safety, maintenance and housekeeping checks of all rooms/houses are carried out under the direction of the Housekeeping Supervisors, the Estates Department or the Safety, Health and Environment Unit. These visits are in addition to any other planned or emergency maintenance visits. Residents will be informed after the visits if any potential health and safety hazards are discovered.

It is essential that all possible steps are taken to maintain safe conditions for residents and employees alike and you should be particularly aware of the following regulations and potential safety hazards:

Shopping deliveries

If you are ordering your shopping online to be delivered to campus, it is your responsibility to return the crates to the driver immediately afterwards. If you fail to do so, please take the crate(s) as soon as possible to the dedicated supermarket crate collection point nearest to your accommodation. Details of the collection points are displayed in your kitchen.

Failing to return supermarket crates could result in tripping hazards or obstruction of fire evacuation escape routes and throughways.

Syringes, needles and other sharps

Students who have to inject prescription medication should ensure they have their own sharps disposal box. However, the Receptions do have some spare sharps boxes if you do not possess one. When your sharps box is full please take it to your Reception, where staff will arrange for its safe disposal.

In the interest of everyone’s health and safety, do not leave syringes, needles and other sharp objects lying around where they could injure someone. Such items must be disposed of safely and not included with general rubbish.

Litter and pest control

Your University accommodation is located in an attractive green countryside setting. We hope that everyone who has the chance to live and work here will value and help preserve its natural beauty and biodiversity by taking care when disposing of rubbish, and not cause litter around the campus.

When removing refuse bags from your accommodation please do not leave them outside the large sealed waste containers provided. If food or other debris is dropped on open ground it will attract wildlife, pests and vermin.
