

UNIVERSITY OF KENT 50TH ANNIVERSARY – FIRST 500 PARTICIPANTS

As part of the University's celebration of its first 50 years, it was decided to make a record of the First 500 alumni who attended the various events that were held. For this, a photograph was taken on the main staircase to Eliot College Dining Hall before the Celebration Dinner on Saturday, September 5th. Those in the original photograph have been identified and their details are given below.

Not all First 500 who attended the celebrations were able to participate in the original photograph. To make the record more complete, a number of passport-style images of others who visited the University during the weekend have been added to each side of the staircase. These alumni are also identified similarly below.
