MEDWAY 2017

Welcome from GK Unions & Kent Union

The Medway campus is a unique place, shared by the universities of Kent, Greenwich and Canterbury Christ Church. GK Unions, the student union at Medway, is a partnership between the University of Greenwich Students' Union and Kent Union. Basically, you get the best of both worlds... you'll become a member of GK Unions AND Kent Union (hooray!)

From campaigns and elections, sports to societies, bars to cafés and jobs and advice, you name it, we've got it!

We can provide you with support services such as a Jobshop and an advice centre as well as activities such as sports clubs, societies and volunteering opportunities that make studying and living in Medway as stress-free, fun and challenging as possible. GK Unions also runs The Deep End, where you can be sure there will be some fantastic social events planned throughout the year.

Kent Union and GK Unions provide you with representation on the issues that are important to you, and ensure you are listened to by both the University and the wider local and national communities. You can get involved via the Forums run at Medway, www.gkunions.co.uk/rd/theforums/

Being a part of the University of Kent at Medway can be one of the most enjoyable, rewarding and exhilarating experiences of your life, meeting new people and learning new things. We're here to make sure you have the best possible experience alongside your academic studies. Feel free to come and chat with us on campus about any problems that may arise during your studies.

So what's next?

To find out more about us, go to our website at www.gkunions.co.uk and have a look at who we are and what we do. We have hundreds of volunteers and we want you to get involved.

University is one of the most amazing times of your life. You get to make friends and study the subject you love. The only piece of advice that I'd give you is to get involved in as many activities as you can, so you can make the most of your experience.

Why we love Kent Uni

When it comes to student satisfaction, our students consistently vote Kent as one of the best universities in the UK and here are just a few reasons why...

“Our lecturers are great – their industry experience really feeds into the teaching. Our lecturer constantly tells us stories about the music business and teaches us about the reality of the industry. That’s priceless!”

Jeriah Nadesan, Music Technology

“Kent has exceeded my expectations, I love the professionalism and the

resources that are available. I feel like I have everything I need under one roof, and I always feel prepared for assignments. The lecturers’ doors are always open as well, so the level of one-to-one support is really impressive.”

Katie Palmer, Journalism

“All the creative courses are based around the Dockyard area, and everyone knows everyone. So it’s like a family. If you have an assignment and you want to do some videos, you can go and talk to someone in video

photography or in creative events – we all help each other out.”

Craig Stalker, Popular Music

“I love Kent because it’s given me an opportunity to learn about the subject I am passionate about, and develop skills to pursue a career in the IT industry. Since day one, the lecturers have been amazing; they are easily accessible via email and with their open door policy. The University also has a really positive reputation in the society as it offers students support such as advice for study or other skills.”

Muhammad Danial Ali, Business Information Technology

“Our placement team is fantastic! Applying for a placement was like applying for a job, but the co-ordinators checked out my CV and they knew the majority of the companies out there. It was a real boost.”

Elliot Massey, Information Technology

“We use the Historic Dockyard a lot to experiment. It’s good for our exhibitions because we’ve got lots of interesting old buildings. You don’t expect to study in a place like this. We have a massive warship right outside the studio! If we get a really nice sunset, a lot of us go outside and start taking photos.”

Emma Griffiths, Fine Art

“You can speak to the lecturers on a level, like a friend or peer. They don’t talk down to you; they’ll always have a laugh and a joke around. At the same time, they’ve worked in the industry, so they can give you really good advice. And they’re really supportive – it’s easy to have a conversation with them.”

Jade Alcock, Event and Experience Design

“Everyone is so friendly, the lectures are inspiring and people are always willing to help. My first few days here were amazing and I knew from the start this was going to be an incredible and unforgettable experience.”

Matilda Allerfeldt, Social Sciences

“My lecturers have an open door policy. You can go and see them whenever you want and they’re all really nice people. They’ll all go the extra mile for their students; you get so much useful feedback.”

Sarah Boast, Journalism

“The academic support is second to none and the library is one of the best with seemingly endless resources. The events team does a fantastic job of offering activities to students at extremely low prices! What’s not to love?”

Ben Demetriou, Social Sciences

By the students, for the students!

GK Unions is your first stop for getting involved, advice, support, fun and games while studying at the Medway campus.

Did you know?

GK Unions provides a range of services for students from the University of Kent and the University of Greenwich by working with the students' unions of both universities.

For Kent students, GK Unions works specifically with Kent Union to make sure your voice is always heard and to ensure you get the most out of your time at university.

Our services

Jobshop

Jobshop is an on-campus employment agency that helps you to find part-time work while you study. We advertise a variety of jobs in areas such as catering and bar work, marketing and administrative roles, teaching, cleaning, health and care, retail and IT positions, so you can earn while you learn and enhance your employability skills ahead of graduating.

There's an office in Medway as well as information online. See www.kentunion.co.uk/jobs

jobshop@kent

The Student Advice Centre

There are many reasons why you might need professional advice so the Student Advice Centre is there to help. We can help you with academic appeals, financial, health or housing issues, employment advice, consumer concerns or visa applications. Our friendly staff will do everything they can to help. To contact our advisers, please call +44 (0)1634 888855 or email advice@gkunions.co.uk

Sport

Sport is a great way to get involved with university life, a brilliant opportunity to meet lots of new people and, of course, keep you fit and healthy. Under GK Unions, there are 15 sports clubs, all of which are run by students from the University of Kent and from the University of Greenwich. These clubs operate under

the Team Medway banner, which represents all the sports clubs at GK Unions. Everyone is catered for – from complete beginners to the more advanced athletes, and many of our clubs compete in the national student leagues within British Universities & Colleges Sport (BUCS), as well as taking part in local competitions, the annual Varsity Tournament between Medway and Greenwich, and events in the Medway area.

Societies and groups

Getting involved in societies is an excellent way of meeting new people and involving yourself in student life. Our range of societies is constantly expanding but if there still isn't anything that takes your fancy, you can start a society yourself – no matter how weird or wacky.

Please contact the Student Activities Co-ordinator on +44 (0)1634 888993 or email activities@gkunions.co.uk for more information.

Volunteering

Volunteering can be a great way to have fun and to meet new people; it also looks fantastic on your CV. At Medway, there are opportunities to join in with lots of different activities. Our student volunteers have learnt how to cut trees down at our local country park, helped with an international Christmas appeal, given out Easter eggs to children at our local hospital, helped children to read and raised money for numerous charities.

GK Unions and Kent Union run the Kent Student Certificate for Volunteering (KSCV), which is endorsed by the

University. Each year there's an annual awards ceremony, which recognises the fantastic efforts of everyone involved. Check out the Jobs & Volunteering tab on the website www.gkunions.co.uk

Give It A Go!

GK Unions offers a scheme called Give It A Go. The aim of the scheme is to provide new and exciting opportunities for students to try out new activities via taster sessions, fun competitions, trips to local and national attractions, and by running their own events.

For more information about specific sport clubs, societies and other student activities on offer, please visit the student activities pages of our website at www.gkunions.co.uk/activities

BE A

SPORT!

Sport and recreation play a big part in university life. Whether you're an accomplished player or athlete, or someone who just wants to try something new, there are plenty of ways you can get involved with sport at Kent. We think that sport is hugely important; it keeps you healthy, is good for your mental wellbeing and, most importantly, it's fun! At Kent, there are lots of opportunities to stay active and improve your lifestyle – plus, there is no need to choose between your sporting career and your academic studies, as Wednesday afternoons are dedicated to sports, in order to allow people to pursue both.

We invite you to become part of Team Medway. Supported by GK Unions, there are around 15 sports clubs, all of which are run by students from the University of Kent and from the University of Greenwich on the Medway campus. These clubs operate under the Team Medway banner, which represents all the sports clubs at GK Unions under one name, one brand, one team. Here at GK Unions, we value the role that sports can play for students. It gives you the chance to play as a team, get fit, meet new people and have lots of fun.

Team Medway offers both competitive and non-competitive sport and it's never too late to join – students who run the clubs are always happy to see new faces!

When you become a member of a sports club, the membership fee covers the cost of the equipment you train with, transport to fixtures, referees for games, training hire costs, and insurance for the year.

Each year, we have a Varsity match between teams of Medway-based students from the universities of Kent and Greenwich. A range of sports are played and this year, Team Medway faced Team Greenwich in Varsity and won 6-3! This was a fantastic result and the first time Team Medway have won this contest. The battle is set to commence in Greenwich in 2017, so make sure you get your tickets and support your home side!

Every year, we hold the Team Medway Sports Awards, which celebrates sporting achievements; it's a great event and always one of the best nights out on campus, so make sure you don't miss out.

Medway Park

Medway Park is a fantastic sports centre near the Medway campus with a swimming pool, sports halls, squash courts, health suites and an athletics track. The uni helped to pay for it which means Kent students get special rates.

Kent Sport offers 'Let's Play' sessions at Medway Park, where you can take part in a variety of sports including swimming, table tennis, basketball and badminton, or try yoga or climbing. Many activities cost as little as £1 and you can go as often or as little as you like. Alternatively, become a member of Kent Sport, take the shuttle bus to Canterbury and take advantage of the University's excellent facilities there. For details of membership costs, see www.kent.ac.uk/sport

Downtime on campus

The Medway campus has everything you need to take you from day to night

Student Hub

Our state-of-the-art Student Hub has been totally refurbished ready for this academic year. Here, you'll find the GK Unions offices and reception, where you can take care of all your day-to-day Union needs; buy your University hoodies, ask any questions you might have and organise your society or sports club events. Our friendly Union staff are on hand to help!

A bit of history: when the campus was a naval barracks, the Hub building was a swimming pool, which gives rise to the name of our restaurant and bar, The Deep End – as voted for by our students! Pick up a bite to eat – whether you fancy a burger, a sandwich or a quick drink; the menu has something for everyone. And

you can pick up a Starbucks coffee if you need a pick-me-up before your 9am lecture.

The Hub has been specially designed to take you from day to night – in the

daytime, make use of the social and study spaces. Maybe you are having a meeting with the members of your society? Feel like a lunch out with the team? Got a big group deadline coming up? Whatever you need to do, the Hub has space for you to do it.

The fun doesn't stop there – our evening events will have you dancing from dusk till dawn, with nights run by events organiser Student Republic and the Union. There will be live music and comedy nights, as well as DJs and performances from big names across the week.

The Student Hub is the place to be on campus, and is buzzing with activity all year round – you'll never be bored!

Freshers in the Hub

During Freshers' Week, activities in the Hub will help you settle in and get used to campus. The Hub hosts our Freshers' Fair, where you can meet members of our sports clubs, check out the societies on offer and discover what volunteering opportunities are available to you. You'll also get to see what Medway has to offer, with local businesses around to answer your questions and get you used to your new surroundings.

Start your first year of university in style; there is plenty to do during Freshers' Week, from quiz and comedy nights, to live music and nightclub events. The Hub is the best place to cement friendships and meet new people in your first few weeks – there is bound to be something you'll enjoy!

Downtime

The Historic Dockyard

Everything from the large to the small!

Let's celebrate

The students' unions put on several balls – from the Freshers' Ball to our summer extravaganza. Held at our Canterbury campus, our shuttle buses can run you down from Medway during term time, and there's extra transport for big events. Fire-eaters, stilt-walkers, dodgems, champagne, live music from big names – our parties are some of the best in the country... and you're invited!

Galvanising Café

Take a break at The Galvanising Café on our Historic Dockyard site. Open Monday to Friday, you can enjoy breakfast, lunch, or a quick snack between lectures. This new venue also hosts special events.

SIX OF THE BEST

Student Hub

When there's so much going on, why wouldn't the Hub be our favourite place to hang out? Whether you are after a bite to eat, or a good night out, there's lots to do. If you can drag yourself out of The Deep End, there are plenty of other places you can visit locally, including our favourites...

We also love: The Ship Inn for live music and The Frog and Toad for its lovely pub garden.

Cargo

Cargo is our bar and bistro, right next door to Liberty Quays accommodation. Here's what Joshua Belvi-Thomas has to say about it: "I love to visit Cargo when the football is on – it's always really busy and the atmosphere is buzzing! The staff are really friendly and make you feel welcome. Me and my friends love the pool table as well – we can get a bit competitive! The drinks are reasonably priced too and it's right on our doorstep!"

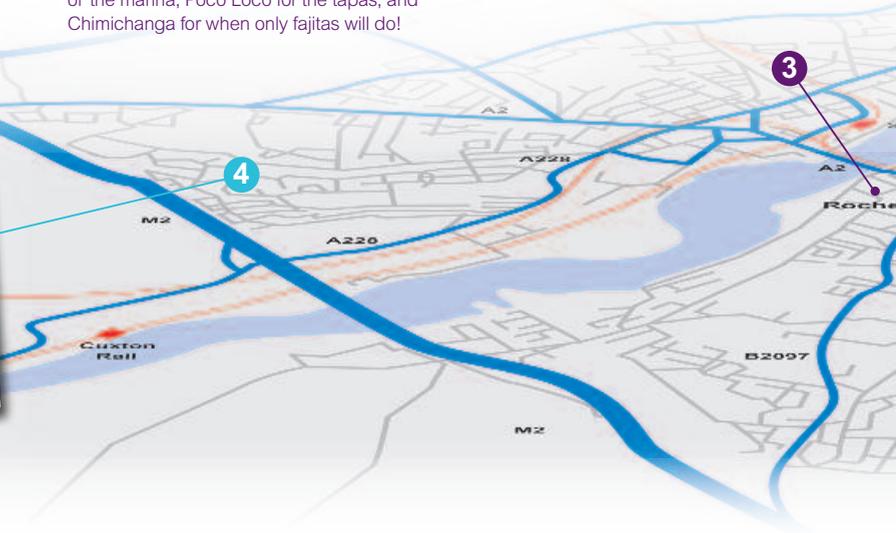

We also love: Zippers for its fantastic views of the marina, Poco Loco for the tapas, and Chimichanga for when only fajitas will do!

Castle Concerts

Rochester Castle is the spectacular setting for the annual Castle Concerts. Set in the beautiful gardens and attracting a range of mainstream artists, it's one of the highlights of the summer. As Craig Sawyer says, "It's like a mini Reading Festival on your doorstep!"

We also love: The Tap 'n' Tin for local bands, The Command House for a drink by the river and The Beacon Court Tavern for its great atmosphere.

Check out some of our favourite places in Medway

Kind of a cheat, but why vote for one shop when you can have Bluewater? With 300 stores, a 12-screen multiplex cinema, Wildlife Discovery Trail, Treejumpers Sky Park, and a climbing wall, plus cycling, boating and exploring, as well as the restaurants, who can blame us?

We also love: New Look for the student discount, the bakery on Gillingham high street for its student-friendly prices and The Range for just about everything!

Medway has a number of parks that have retained their prestigious Green Flag status and Riverside Country Park is one of them. Lucy Potter, studying Sports Therapy and Rehabilitation, describes the park as a "beautiful bit of countryside next to the river... a great place to relax and get away from things".

We also love: The Strand for taking it easy by the water on a sunny day and Capstone Farm Country Park for the cycle trail.

Bliss Bar & Clubrooms in Gillingham has two rooms of music, where you can dance to current and classic tunes. Watch out for the guest DJ sets too. It also offers free entry to students on certain nights – what more do you need?

We also love: Strawberry Moons in Maidstone.

Living here

You've seen the prospectus and maybe you've been to an open day but what's it really like to live here? Even if you're local, you'll be spending a lot of time on campus so here's the lowdown about life at Medway.

Going out...

Work hard and party hard: Welcome Ball, Summer Ball, and subsidised trips to London, Thorpe Park, clubs, plus cultural and sporting activities (including the hotly-contested Varsity competition between the universities of Kent and Greenwich)... you get the picture. Your Medway Activities team is on a mission to give you the best time of your life!

Fun foodie facts

Some advice from our current students

Our students have been in exactly the same place you are now: wondering which university to choose, whether to move away from home, what to pack, and a million other things. We asked them what advice they would pass on.

"RELAX, the first week is the most amazing time. Just make sure you get up for your introductory lectures. ENJOY. I'm jealous and want to do it ALL again!"

Matilda Allerfeldt, Social Sciences

"Join societies! Nominate yourself to be on the exec team of a society – seriously! Elect yourself in the VP roles for Kent Union, vote in every decision you can, tweet about issues, campaign for change, and get involved with GK Unions."

Siobhain Gaughan, Social Sciences

"Make use of the facilities. If you are getting the chance to use professional equipment, don't waste your time; make sure you use it!"

Jeriah Nadesan, Music Technology

"I go to Let's Play, which is a sports club at Medway Park. I really enjoy it and go three times a week. I also to a badminton class which is very well organised and only costs a pound. It's all a good outlet for stress. If you've had a bad day, they even have boxing!"

Christa Thavapalan, Information Technology with a Year in Industry

"Make use of the Medway-Canterbury shuttle bus. It's really handy – it runs all day long and it's free. It drops you off right in the middle of everything and the campus at Canterbury is lovely as well."

Jade Alcock, Event and Experience Design

"Go with what you enjoy and what interests you – don't focus on what your parents want or how much money you think you'll earn. Take control and enjoy your studies."

Elliot Massey, Information Technology

- Buckland Lake Reserve and Capstone Farm Country Park are both free entry and offer woodland walks, nature trails and cycling routes.
- Howletts Wild Animal Park offers a great day out for under £16.
- Unleash your inner Tarzan at Go Ape in the grounds of Leeds Castle, near Maidstone. You can get 15% discount with your student ID (call 0333 920 6585 to book).

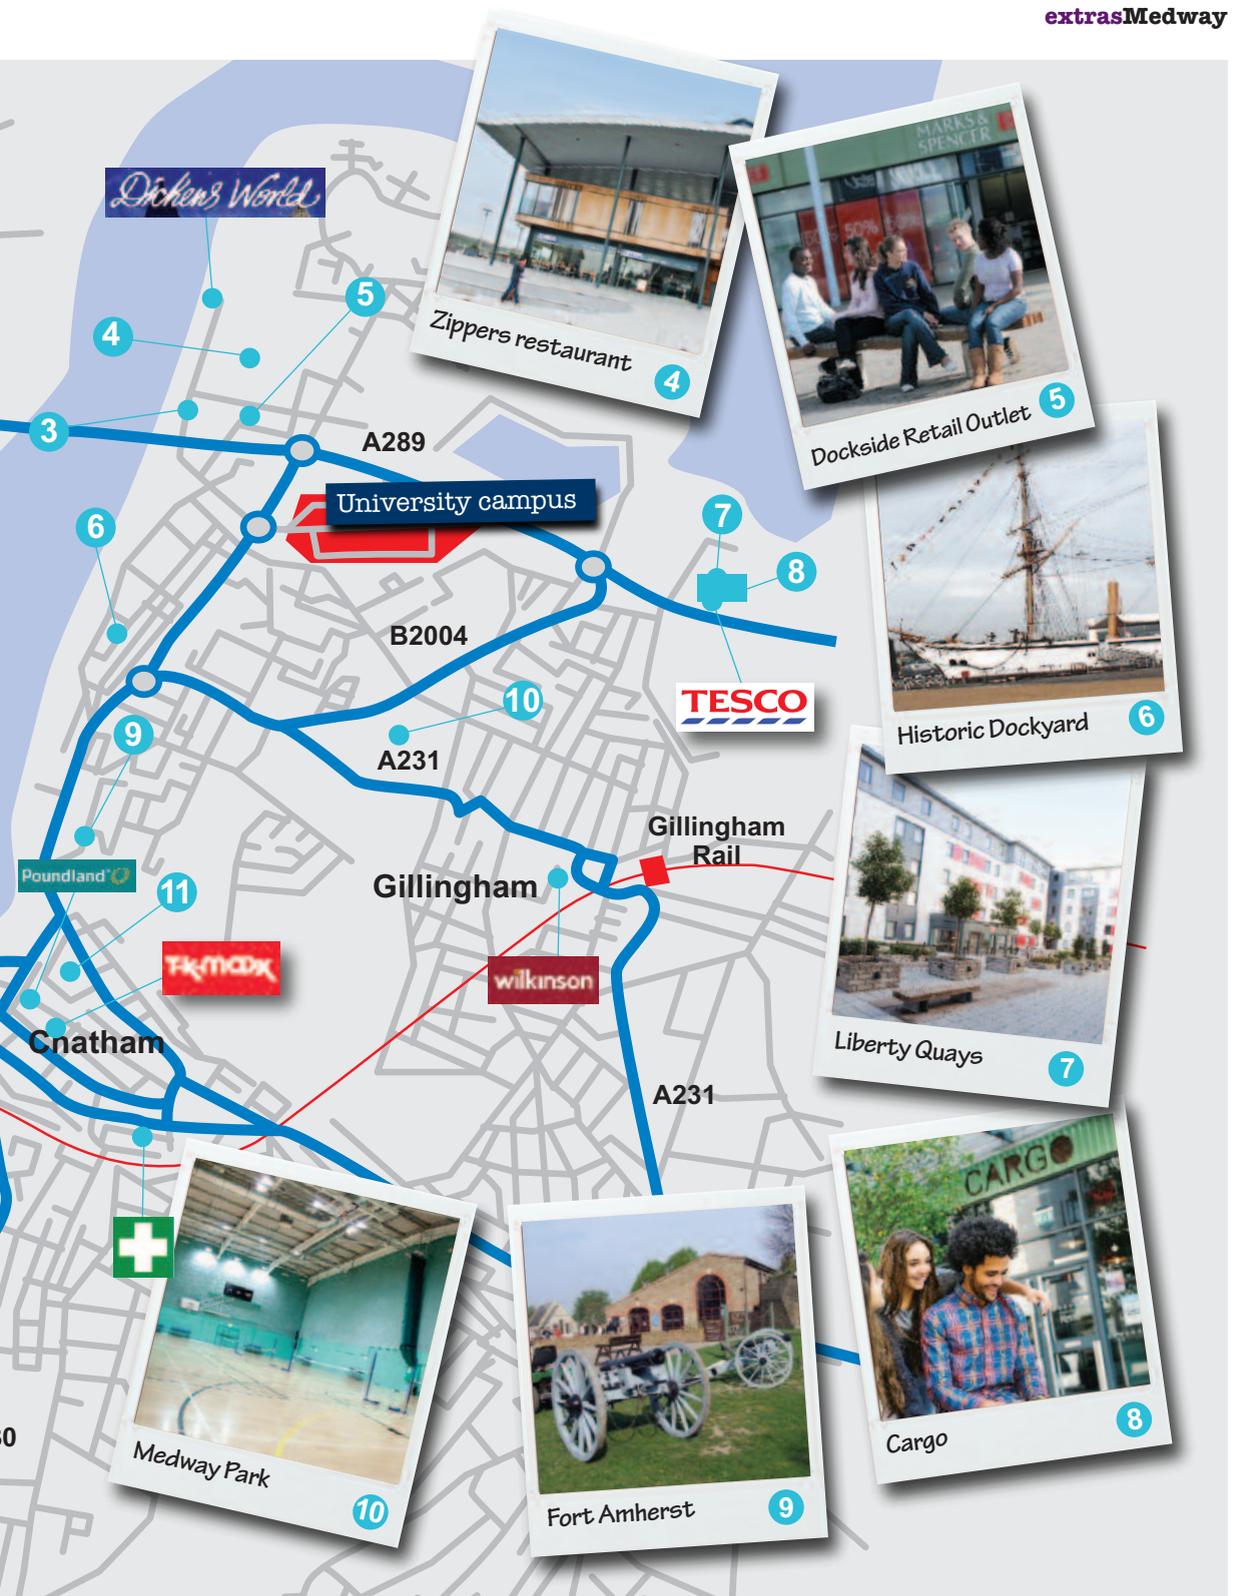

- You can get to the Westfield Shopping Centre (close to the Queen Elizabeth Olympic Park) by train from Chatham for under £15 with a railcard.

Student view

"Everything feels very close-knit and you get to know people quite quickly and it's easy to find out what's going on. I found it easy to get involved in volunteering and set up the Hindu society on campus. I won four awards including best new society and the Kent volunteering gold award. I also won an employability award with a prize of leadership training with the accountancy firm PKF."

Preeya Parmar, Business Information Technology with a Year in Industry
