The UK's European University

Kent is a leading UK university with a global reputation. Kent was established in 1966 as part of the University of Kent at Canterbury. In 1992, the university was granted a Royal Charter to become an independent university. Kent is a member of the Russell Group, the top 20 of the UK’s leading research-intensive universities.

Inspirational locations
Kent has two main campuses in the UK - Canterbury and Medway. Canterbury includes the historic Canterbury campus and the modern Medway campus.

For details of accommodation at Canterbury and Medway, including application procedures, visit the Accommodation Office website.

Contemporary teaching
Kent’s teaching and learning facilities are modern and innovative, offering high-quality teaching and learning environments.

The University’s teaching and learning facilities have won numerous awards for their excellence, including the 2020 gold rating in the UK’s Teaching Excellence Framework.

Your home at Kent: accommodation

Kent is committed to providing students with high-quality accommodation. Kent offers a wide range of accommodation options, including on-campus and off-campus properties.

The University’s accommodation portfolio includes a range of student apartments, student rooms, and student houses. Kent offers various types of accommodation, including Self-catered, Catered, and Guarentee.

Key features of Kent’s accommodation include:

- Easy access to University and local facilities
- Free wi-fi
- Regular events
- Social activities

Kent’s accommodation options are designed to meet the needs of all students, offering a comfortable and safe environment for learning and living.

Kent’s Accommodation Office is available to answer any questions you may have about accommodation.

Financial aid and scholarships

Kent provides a range of financial aid and scholarships to support students in their studies. Some examples include the Kent Scholarship for Academic Excellence, the Kent Access Fund, and the Kent International Scholarship.

For more information, visit the Financial Aid and Scholarships Office website.

Fees and funding

Kent’s fees are competitive and transparent. Fees are reviewed annually and may be subject to increased by up to 3% per academic year. Fees quoted are for standard courses. There are additional fees for some courses.

For more information, visit the Fees and Funding Office website.

International student guide

Kent welcomes international students and offers a range of support services to help them make the most of their time at the University.

International students can benefit from a range of support services, including language support, academic support, and social support.

For more information, visit the International Student Office website.
Kent is a leading UK university with a global reputation. Kent was awarded a Gold rating in the UK Government’s Teaching Excellence Framework.

Our reputation for academic excellence and innovative research attracts top international students from more than 130 countries and we are one of the UK’s most internationally diverse universities. We encourage our international students to integrate into all aspects of university life to ensure they have the best experience.

There are a range of student clubs, societies and networks that international students can join to meet like-minded friends and broaden their understanding of different cultures.

International students, there’s a rich social life. You spend one term in Canterbury, another in London and have easy transport links between the two sites, Pembroke and The Historic Dockyard Chatham. State-of-the-art facilities in renovated listed buildings provide a unique and stimulating environment. Students can choose to study in Pembroke, Pembroke College, Pembroke College Flats, Turing College Houses, Turing College Flats, Turing Houses, Keynes Hous...
**The UK's European University**

Kent is a leading UK university with a global reputation. Kent was awarded gold in the UK Government’s Teaching Excellence Framework. Our reputation for academic excellence, innovative research and global opportunities is built on a foundation of excellence and innovation.

### Inspirational locations

2020 International Student Guide

Undergraduate

Kents undergraduate programmes allow students to challenge you on your knowledge and to push your thinking to the limits of your ability. The University of Kent has a long tradition of excellence in teaching and learning, and our teaching staff are dedicated to ensuring that you make the best possible use of your abilities.

Postgraduate

Postgraduate courses offer you an opportunity to explore and pursue research in your area of study. We offer a range of foundation programmes to ensure that you develop the necessary skills and knowledge to succeed in your chosen course. You will have the opportunity to work with some of the UK's best researchers and scholars, and to gain an understanding of your discipline. For details of all our postgraduate programmes, including our master's degree programmes, please see our website.

Short term study

We offer a wide range of short-term study programmes, including modules in a range of disciplines, as well as full degrees. Our short-term study programmes are designed to provide you with the opportunity to gain a qualification, or to experience university-level study in a particular subject area.

International Foundation Programme

If you successfully complete the IFP and meet the rules of progression, you can progress to our undergraduate or postgraduate studies. You may take the Academic Skills Development module alongside the IFP, allowing you to develop the necessary skills to succeed in your chosen course. For more information, please visit our website.
