Student Support and Wellbeing
If you have mobility difficulties, specific learning difficulties (e.g., dyslexia), medical and sensory impairments or mental health issues, you can receive guidance and personal support from Student Support. Our Wellbeing Service provides counselling and support for students experiencing distress arising from psychological, emotional or mental health issues. We also deliver a range of group events and activities throughout the year. Visit us in the Grimond Building.

Campus Tours
From 11.30
We are offering tours of the campus during the day. These are led by a student guide and will give you a great opportunity to have a good look round and ask any questions. The tours depart from the Grimond Building foyer and will be running until 1.30.

Refreshments
Tea and coffee will be provided on the day and the campus shop will be open for you to purchase sandwiches and snacks.
