

LIST OF LEVEL 6 ELECTIVE MODULES AVAILABLE FOR STAGE 3 STUDENTS

Elective modules are modules that fall outside the subject area of your course. If your course permits elective modules to be taken then you should refer to this document only to help you select them. Students in stage 3 must choose level 6 modules with the exception of languages, which may be studied at any level provided that prerequisites are met and that you comply with [credit framework](#) rules. Please check with ArtsHumsUGandPGT@kent.ac.uk if you are unsure of your language level.

Although you are free to apply for any module from this Elective Modules list you should note that some modules require certain prerequisite qualifications. To view the module description (synopsis, prerequisites, assessment patterns etc.) for each of these modules please access the [module catalogue](#).

Timetables will not be published until September but please note, it is your responsibility to check your timetable prior to the start of term to ensure your elective module selections DO NOT clash with your required modules. Please note that if an elective module registration creates a timetable clash with your required modules, you will need to withdraw from the module and select another. Modules being taught at Medway campus are flagged with §. Please take travel into consideration when selecting a module on a different campus. Please email csao@kent.ac.uk if you need to change modules.

DIVISION OF ARTS AND HUMANITIES

The Division of Arts and Humanities is undertaking a review of its courses and associated modules. This means there is a risk that some modules will not be available after OMR. Any changes will be dealt in line with [Kent's established process](#) as required by the Competition and Markets Authority (CMA). You should select your modules based on the list available. If there are any changes to your selection, you will be contacted as soon as possible with suggested alternatives. The review is planned to be completed by July 2023 at the latest.
