

DIVISION OF ARTS AND HUMANITIES

When studying the Year in a Language you will work exclusively within the Division of Arts and Humanities. Upon completion of the year, you will return to your home Division where you will complete your registered degree. Successful completion of both the Year in a Language and your registered degree will allow you to graduate with your current degree title augmented with the words 'with a Year in 'your chosen language'.

A Year in a Language may be taken after Stage 2 or Stage 3. Students whose course also includes a year abroad should normally take the Year in a Language after Stage 3.

Please refer to the online Module Catalogue for full details of all modules: www.kent.ac.uk/courses/modules. The modules listed cannot be taken as elective modules.

Funding information can be found at: <https://www.kent.ac.uk/finance-student/>.

The Division of Arts and Humanities is undertaking a review of its courses and associated modules. This means there is a risk that some modules will not be available after OMR. Any changes will be dealt in line with [Kent's established process](#) as required by the Competition and Markets Authority (CMA). You should select your modules based on the list available. If there are any changes to your selection, you will be contacted as soon as possible with suggested alternatives. The review is planned to be completed by July 2023 at the latest.
