**Please refer to the online Module Catalogue for full details of all modules:**

[www.kent.ac.uk/courses/modules](http://www.kent.ac.uk/courses/modules)

## **Stages 2 and 3**

- *Subject requirements are for students entering the specified stage in the 2026-27 academic year only.*
- *Where modules are running across two terms, assume an even split of credits in each term e.g 40 credits Spring and Summer = 20 credits in Spring and 20 credits in Summer.*
- *For Joint Honours courses, you must have at least 100 credits of modules in each subject across Stages 2 and 3.*

We are actively collaborating with our course-level Professional, Statutory, and Regulatory Bodies (PSRBs) to ensure that our accreditation agreements are maintained on our Accounting and Finance Courses. Once these accreditation arrangements are confirmed, the details will be communicated to students.

*The information contained herein is correct at the time of publication. Please note however, that if a module recruits fewer than 8 students it is possible that it will not run. In this event, you will be contacted and asked to select an alternative module.*
