Please refer to the online Module Catalogue for full details of all modules:

When studying the Year in a Language you will work exclusively within the Language Centre. Upon completion of the year, you will return to your home Division where you will complete your registered degree. Successful completion of both the Year in a Language and your registered degree will allow you to graduate with your current degree title augmented with the words 'with a Year in *'your chosen language'*.

A Year in a Language may be taken after Stage 2 or Stage 3. Students whose course also includes a year abroad should normally take the Year in a Language after Stage 3.

Funding information can be found at: <https://www.kent.ac.uk/finance-student/>.

*The information contained herein is correct at the time of publication. Please note, however, that if a module recruits fewer than 8 students it is possible that it will not run. In this event, you will be contacted and asked to select an alternative module.*
