PROGRAMMES OFFERED BY THE KENT LAW SCHOOL

Head of School: Professor Toni Williams

School Web Site: www.kent.ac.uk/law/

All programmes, unless specified in the rubric for that programme, require that you take modules amounting to 120 Credits in total, 60 Credits in the Autumn term, and 60 Credits in the Spring term. FURTHER DETAILS OF ALL MODULES LISTED ARE AVAILABLE IN THE MODULE CATALOGUE: www.kent.ac.uk/courses/modulecatalogue/.

QUALIFICATION AS SOLICITOR OR BARRISTER IN ENGLAND AND WALES

In order to obtain a Qualifying Law Degree ('QLD'), students must take **and pass** (i.e. attain a mark of at least 40% in) the modules listed below (hereafter referred to as the 'exemption modules');

[LW327](#) English Legal Systems and Skills
[LW315](#) Introduction to Obligations
[LW316](#) Foundations of Property
[LW508](#) Criminal Law OR [LW601](#) Advanced Criminal Law
[LW588](#) Public Law 1
[LW592](#) Public Law 2
[LW593](#) European Union Law
[LW597](#) The Law of Obligations
[LW598](#) Equity and Trusts
[LW599](#) Land Law

The Law School will assume that all students will want to obtain a QLD, therefore students will be automatically registered for these modules. Students must also study a further 60 Credits of Law to obtain the 240 Credits needed for a QLD¹.

Students who successfully meet these requirements are exempt from the need to undertake the Common Professional Examination and can therefore proceed directly to the Legal Practice Course (for solicitors) or the Bar Professional Training Course ('BPTC') (for barristers). Note however, that students who wish to proceed to the BPTC must obtain an overall degree classification of at least 2:II.

i) Implication of failure in exemption modules

It is vital that students **PASS ALL** the exemption modules listed above; there may be serious consequences for failing to do so.

Prospective solicitors

Although University rules governing compensation may permit a student to progress to the next Stage of their degree, or even pass their degree as a whole, the exemption module will still have been failed. As a result, the student will not have obtained a QLD.

However, the Solicitors Regulation Authority ('SRA') grants the Board of Examiners the discretion to award a student a QLD (following a decision to compensate a single failure of an exemption module) but only in exceptional circumstances and if specific criteria are met. Students should contact the Student Advice Office for guidance on the process of submitting concessionary evidence to the Board of Examiners.

Prospective barristers

The Bar Standards Board ('BSB') **does not** permit the Board of Examiners the discretion to award a student a QLD in these circumstances. Therefore, students seeking qualification as a barrister **must** make an application to the Bar Standards Board directly and are accordingly advised to contact the Student Advice Office for further guidance.

ii) Number of attempts

The professional bodies allow a maximum of three attempts at an exemption module (one initial attempt followed by a further two attempts). Attempts treated "as for the first time" do not count for this purpose.

If a student is compensated **before being given three attempts** to allow them to progress:

- The student can sit the module for exemption purposes **alongside their programme of study** or, **if they have graduated**, as an external candidate at the **first** available opportunity. For example, for a student who graduates with a compensated mark in an exemption module in July 2015, the first available opportunity to sit for exemption purposes will be in August 2015.

¹ Students on the Senior Status programme are required to obtain 240 Credits of Law for a QLD.

iii) Time limits for Qualifying Law degrees

FULL-TIME AND SENIOR STATUS STUDENTS	PART-TIME STUDENTS	
6 years	Began Stage 1 before September 2011	8 years
	Began Stage 1 from September 2011 onwards	6 years

Note: Discretion is afforded to the Board of Examiners by the SRA to grant a QLD to a student exceeding the prescribed time limits but only in exceptional circumstances and if specific criteria are met. This discretion is **not** available to students seeking qualification as a barrister. Students should contact the Student Advice Office for guidance on the process of submitting concessionary evidence to the Board of Examiners.

Joint Honours Law Students

Students undertaking a Joint Honours law degree who; take and pass the exemption modules; undertake the additional legal study required and; in the case of aspiring barristers, achieve an overall 2:II degree classification; will obtain a Qualifying Law Degree. These students will be similarly exempt from the Common Professional Examination and can proceed directly to the Legal Practice Course or the Bar Professional Training Course.
