(In selecting modules for their year abroad, students should bear in mind that they should not take modules with a similar content in both Institutes.)

Students are required to obtain at least a 2(i) average in Stage 2 and to pass all the Stage 2 compulsory modules at the first attempt to qualify for the year abroad. Permission to proceed abroad is dependent on the recommendation of the Board of Examiners. Students who do not achieve this standard will be required to amend their degree registration and will not be eligible for a degree 'with a year in Finland'.

SOCIAL ANTHROPOLOGY WITH A YEAR IN JAPAN (BA)

Students registered for this degree will spend the first two years and the final year (Stages 1, 2 and 3) of the degree at Kent and the third year (Stage A) in Japan. While at Kent, students will follow modules from the existing programme of the BA in Social Anthropology. While in Japan, students will follow an approved programme of study drawn from the module offerings at the Japan University. These modules are taught and assessed in English. Students will be required to undertake modules amounting to 120 Credits (equivalent to 60 ECTS Credits) during their year abroad, leading to a total of **360 Credits** for Stages 2, A and 3. Further details may be obtained from the Director of Studies.

Stages 2 and 3

Students take **240 Credits** over Stages 2 and 3. **120 Credits** are taken at each Stage. **60 Credits** must be taken in each of the Autumn and Spring terms. Students may take a maximum of 30 Credits of wild modules at each stage, but their module preferences will be reviewed by the Programme Convenor when on-line module registration has closed.
