Books/ Reports.

Papers in Refereed Journals

**Papers in Edited Books**

Discussion Papers and Published Conference Proceedings.

### 2. Publications that make use of the Employment in Britain Survey.

(not included in section 1).

3. **Publications that make use of SCELI**

(Not included in sections 1 or 2).

We are aware that the list below gives far from comprehensive coverage of publications that have made use of SCELI survey data. We would appreciate it if researchers could send details to us, so that the database can be made more complete. Please send the information to gfg@kent.ac.uk.
