Scheme Overview

The Employability Points Scheme encourages students, studying at the University of Kent, to engage with co-curricular activities. For each activity undertaken, students are awarded ‘points’, which can be redeemed for the chance to apply for rewards offered by external businesses and organisations. This Rewards Pack will provide an overview for all rewards on offer for the 2017-18 academic year.

How does it work?

The Rewards Pack details all the opportunities available through the EP Scheme. Please check each reward carefully. For all work-based placements, if you are shortlisted, you will be interviewed by a member of the EP Team and potentially a company representative. Once you have completed your reward, the points will be redeemed from your total.

Rules

- **You can apply for as many rewards as you like** – in fact we recommend that you apply for at least three rewards - and as a part of this, you will be asked to rank your preferences.
- You cannot apply for rewards if you do not have enough points.
- You can only apply for three internships per academic year, although you will only be interviewed for one.
- You can only apply for one voucher per academic year. Vouchers are not guaranteed; if oversubscribed, preference will be given to students unable to undertake work based rewards and based on the number of points acquired.
- You are strongly encouraged to apply for at least 1 non-work-based reward (e.g. company experience, skills workshop, etc.) This does not need to be your first choice reward.
- If you fail to attend an interview, without 48 hours’ notice, we will redeem 50 points from your points total.
- If you do not attend your placement/training without 48 hours’ notice or misbehave whilst undertaking it, we will redeem double the number of points.
- If you are invited to attend an interview, you must dress appropriately. It is very important that you complete prior research on the company.
- Please check the criteria before applying for any position. Not all positions include travel expenses, please read each opportunity carefully.
- We cannot guarantee all students will be rewarded, although we will do our best to ensure you are offered at least one relevant reward.

Additional Notes

- Please note that all dates are subject to change and that some companies may be flexible on dates required for the right candidate.
- The University of Kent and the Employability Points team accept no responsibility for the cancellation of placements due to sponsor commitments.
- Sponsors and the EP team reserve the right to cancel placements due to unacceptable behaviour on the part of the student.
- If required, it is your responsibility to arrange accommodation to allow for the completion of an EP reward.
Payments for project placements are subject to the completion of the project work to the standards expected and outlined by the sponsoring organisation.

International Students
- If you are an international student, it is your responsibility to check your ability to work in the UK in accordance with your visa. If you need assistance with your visa, please speak to Kent Union.
- For paid internships, it is the student’s responsibility to ensure they have a National Insurance number. For more information, see here.

Travel Expenses
For most work experience placements, and some project and work shadowing placements, the sponsoring company will provide the reward winner assistance with travel costs (to a certain extent). The availability of travel costs is confirmed for each reward in the relevant sections of the Rewards Pack.

If travel costs are not available directly from the sponsoring company, you may be able to claim a bursary payment from the Careers and Employability Service. To be eligible to apply, you must be a student at the University of Kent studying in the UK and funds are only available for unpaid work experience and 1-day insight days (including company experiences). Please note, the allocation of funds is not guaranteed: funding is limited and is allocated on a ‘first come, first served’ basis, following the completion of the bursary application and claims process. It is essential that all expenses are supported by receipts.

The full Terms and Conditions and application form can be viewed here. For more information regarding the B-Kew bursary, please contact the Careers and Employability Service via employability@kent.ac.uk

How to Apply
This booklet outlines all of the rewards available to students signed-up to the Employability Points Scheme for 2017-18. Once you have considered the different rewards, you can apply for rewards via the application form which will be emailed to you on 21st March 2018. Applications are welcomed between 21st March and 3rd April 2018, 23:59.

We will ask you to prioritise each reward you apply for and you will be asked to explain why you are applying for each reward. Please note that we will use this to determine who will be shortlisted for an interview.

Please check the criteria of each reward carefully. If you apply for a reward and cancel without 48 hours’ notice, we will redeem double the cost of points.

We aim to invite students for interviews by the end of April – please check your emails during this time. If you are unable to attend an interview, please let us know within 48 hours and we will attempt to reschedule. It may not be possible to reschedule due to sponsor commitments and we ask that you are as flexible as possible.
We strongly recommend you look through the whole of this booklet and consider carefully the different rewards available. Also, look out for the recommendations provided by academic schools!

Contact us if you have any questions - employabilitypoints@kent.ac.uk

Get Involved and Get Rewarded!
Opportunities Explained

**Internship (redeem 200 points)**

Internships are temporary work placements within a company. They pay minimum wage, or above, and will take between 4 weeks and 3 months over the summer vacation period.

**Project Placement (redeem 175 points)**

Project placements are positions working on a particular project, which may have a flexible start/end date and will require a certain amount of expertise. Some projects are to be undertaken remotely and you will be paid for the project, rather than per hour.

**Work Experience Placement (redeem 150 points)**

Work experience placements are a taster version of a position within a company. They are 2 – 3 weeks in duration. Students would be expected to undertake work on their own initiative, but would ultimately be under the supervision of a mentor at all times. Please check individual rewards in regards to travel costs.

**Training (redeem 125 points)**

A number of companies offer in-house or external training and development of their staff, and in some cases may even provide training as an external consultant for other companies. These courses are extremely valuable for students.

**Work Shadowing Placement (redeem 100 points)**

Work shadowing placements would allow students to ‘buddy’ existing employees within the company to find out what a ‘day in the life of…’ is really like. In many instances, this is a chance to shadow a senior member of the sponsoring company!

**Mock Assessment Centre (redeem 75 points)**

The chance to attend a mock assessment centre, providing students with an insight into the real thing.

**Company Experience (redeem 75 points)**

An unique experience day, which can involve tours, networking lunches and more!

**Skills Development (redeem 75 Points)**

Skills development sessions are run by company representatives who have expertise in a particular area or skill-base.

**Employability Session (redeem 50 points)**

This gives students the opportunity to get some valuable career advice and guidance into their chosen field, whilst also having the opportunity to gain CV feedback.

**Voucher (redeem 50 points)**

A number of students are unable to undertake placements or experiences due to work or family commitments, lack of accommodation during the summer vacation, or because they are an international student. We, therefore, offer vouchers to reward them without asking them to commit to a placement. Students can only claim one voucher and they are limited in quantity.

*These are great opportunities for students who are unable to be based in the locality of the reward. Please check the specific details for these before applying.
Internships

Internships are temporary work placements within a company. They pay minimum wage, or above, and will take between 4 weeks and 3 months over the summer vacation period. Interns would be expected to undertake work and responsibility just as a normal employee of the company would. You need to have at least **200 points** to apply.

**Yoyo Design**

Application code: IN01

Opportunity details: An internship as a Digital Project Manager intern, where the student will be involved in project managing digital projects. The intern will be involved from pitch to delivery and will gain the chance to work with different accounts including JP Morgan and Royal Navy Lifeboat Institution.

**KEY WORDS:** PROJECT MANAGEMENT, DIGITAL AGENCY, CREATIVE, ACCOUNT MANAGEMENT

Company profile: Yoyo Design is a multi-award winning digital agency focusing on digital strategy, marketing, branding, user experience, web design and development.

Location: Tunbridge Wells, Kent.

Date(s): June – September 2018. Exact dates to be confirmed between sponsor and student. The internship is for 10 weeks.

Additional criteria: The student must be interested in digital projects and have project management skills.

Case Study: [Here](#).

**Recommended by:** Kent Business School, School of History, School of Arts, School of Engineering and Digital Arts

**Enterprise Rent-a-Car**

Application code: IN02

Opportunity details: An internship in sales and service within a retail branch environment. This is a great opportunity to work for one of the UK’s leading graduate recruiters!

**KEY WORDS:** SALES, SERVICE, RETAIL, BUSINESS OPERATIONS

Company profile: Enterprise Rent-a-Car is the world’s largest car rental organisation.

Location: A branch situated in the South East or London (venue dependent on student preference).

Date(s): 11th June – 7th September 2018. Please note there is no flexibility with the start or end date.

Additional criteria: The student must have a **UK driving licence** (max. 6 points on licence). Student must be within 1-hour commuting distance of a South East or London branch.

**Recommended by:** Kent Business School
Sevenoaks Town Council

Application code: IN03
Opportunity details: An internship focused on undertaking research for strategic projects being undertaken by the council.
KEY WORDS: LOCAL GOVERNMENT, RESEARCH, PROJECTS
Company profile: Sevenoaks Town Council is one of 9,000 smaller local authorities known as Town and Parish Councils who operate throughout the country for the benefit of local residents.
Location: Sevenoaks, Kent.
Date(s): June – September 2018. Exact dates to be confirmed between sponsor and student. The internship is for 8-12 weeks.
Additional criteria: The student must be able to work independently on projects and research effectively. The student must be willing to also assist the administrative team with day-to-day general office duties. The student must be able to commute to Sevenoaks.
Recommended by: School of Anthropology and Conservation, School of History, School of Psychology, School of Politics and International Relations, Kent Law School

Kent County Council

Application code: IN04
Opportunity details: An internship in the Sustainable Business and Communities Team focusing on The development of an Energy and Low Emissions Strategy for Kent and Medway. Suitable for either Science or Economics students!
KEY WORDS: SCIENCE, ECONOMICS, ENVIRONMENTAL RISKS, RESEARCH
Company profile: Kent County Council (KCC) is the county council that governs the non-metropolitan county of Kent.
Location: Maidstone, Kent.
Date(s): June – September 2018. Exact dates to be confirmed between sponsor and student. The internship is for 12 weeks.
Additional criteria: The student must be skilled in research, analysis, communication and report writing. Preference to students studying either an Economics or Science degree.
Recommended by: School of Anthropology and Conservation, School of Economics, School of Bioscience
**Volume**

**Application code:** IN05  
**Opportunity details:** Internships in the Development Team, working on developing cutting-edge AI driven customer applications and disrupt brand engagement. 

**KEY WORDS:** ARTIFICIAL INTELLIGENCE, CUSTOMER APPLICATIONS, AI DEVELOPMENT  
**Company profile:** Volume is a Gartner-recognised technology-agnostic developer of Conversational AI Platforms (CAP) and AI MiddleWare.  
**Location:** Wokingham, Reading  
**Date(s):** Dates to be confirmed between student and sponsor. Work to be undertaken between June - September 2018. The internship is for 6-8 weeks.  
**Additional criteria:** The student must be able to commute to Reading. The student must be studying a Computer Science degree or Business Analytics MSc and be passionate about NLC and ML.

**Recommended by:** School of Physical Sciences, School of Computing

---

**TMLEP: The Medical-Legal Experts Practice**

**Application code:** IN06  
**Opportunity details:** Internships focusing on the role of Medico-Legal Administrator, which will provide experience in the field of clinical negligence. This will involve assisting in the provision of medico-legal reports to some of the largest clinical negligence law firms in the UK. (Note: TMLEP may be looking to offer full and part-time opportunities following the conclusion of the internships).  

**KEY WORDS:** LEGAL, MEDICAL, CLINICAL NEGLIGENCE  
**Company profile:** TMLEP is a specialist clinical practice, providing sector leading medico-legal services to some of the UK’s leading clinical negligence Defence and Claimant law firms.  
**Location:** Canterbury Innovation Centre, Kent.  
**Date(s):** June – September 2018. Exact dates to be confirmed between sponsor and student. The internship is for 10 weeks.  
**Additional criteria:** The student must be from a law background. The student must have good attention to detail, an interest in law, good writing and communication skills and basic IT skills. Due to the fact that TMLEP are potentially looking to offer permanent employment to the successful intern(s), they are unfortunately are unable to offer this placement to any student who require visa sponsorship. For this reason, preference will be given to final year students (consideration will be given to students who are returning to studies in 2018-19). Please note, students will need to send their CVs to the EP team if shortlisted.

**Recommended by:** Kent Law School
**Reflect Digital**

**Application code:** IN07

**Opportunity details:** Development internship – Reflect Digital are looking for a ‘supergeek’ who has a passion for coding!

**KEY WORDS:** WEB DEVELOPMENT, CODING

**Company profile:** Reflect Digital are a multi-award winning digital marketing agency.

**Location:** Maidstone, Kent.

**Date(s):** June – September 2018. Exact dates to be confirmed between sponsor and student. The internship is for 10 weeks.

**Additional criteria:** The student must be able to commute to Maidstone. Student must be interested in starting a career in web development. The student must have some experience of PHP/MySQL/JavaScript and understands the principles of OOP and MVC design pattern. Experience with Laravel, Mongo and Foundation/Bootstrap would be advantageous but not essential.

**Recommended by:** School of Physical Sciences, School of Computing

---

Application code: IN08

Location: Kent Science Park, Sittingbourne, Kent.
Date(s): June – September 2018. Exact dates to be confirmed between sponsor and student. The internship is for 10 weeks.
Additional criteria: The student must be able to commute to Sittingbourne. The student must be studying a chemistry-related degree. Preference to students from stages 2, 3 and 4.

Recommended by: School of Physical Sciences, School of Bioscience
**KIMS Hospital**

**Application code:** IN15

**Opportunity details:** Pharmacy internship focused on pain relief and discharge. The intern will establish how much discharge medication supplied is actually used by patients and would relate to specific procedures such as knee and hip replacements and hernia repair.

**KEY WORDS:** BIOMEDICAL, PHARMACY, MEDICATION

**Company profile:** KIMS Hospital is the largest independent hospital in Kent.

**Location:** Maidstone, Kent.

**Date(s):** June – September 2018. Exact dates to be confirmed between sponsor and student. The internship is for 4 weeks.

**Additional criteria:** Student must have some technical knowledge in addition to strong communication skills. The student must be able to commute to Maidstone, Kent.

**Recommended by:** School of Bioscience

---

**Application code:** IN16

**Opportunity details:** Content writing and marketing internship, where one student will be required to utilise PR strategies to increase awareness of the KIMS Hospital brand. This will involve research and the creation of case studies.

**KEY WORDS:** CONTENT WRITING, COMMUNICATIONS, MARKETING, PR

**Location:** Maidstone, Kent.

**Date(s):** June – September 2018. Exact dates to be confirmed between sponsor and student. The internship is for 4 weeks.

**Additional criteria:** The student must be studying a marketing/communications related degree (or be able to demonstrate significant experience). Student must be able to write to a high calibre. Preference to stage 2 students.

**Recommended by:** Kent Business School, School of European Culture and Languages
**Sustainability Monitor**

**Application code:** IN17

**Opportunity details:** The chance to undertake research and reporting writing. This will involve collecting, collating and analysing data relating to sustainability in the apparel industry. This is perfect for students interested in social policy, psychology, business and/or statistics.

**KEY WORDS:** SUSTAINABILITY, RESEARCH, REPORTING, STATS

**Company profile:** Sustainability Monitor specialises in sustainability in the global fashion industry.

**Location:** Canterbury Innovation Centre, Canterbury

**Date(s):** June – September 2018. Exact dates to be confirmed between sponsor and student. The internship is for 10 weeks.

**Additional criteria:** Strong statistics and data analytical skills are essential.

**Case Study:** [Here](#).

**Recommended by:** School of Anthropology and Conservation, School of Physical Sciences, School of Mathematics, Statistics and Actuarial Science, School of Psychology, School of Politics and International Relations, School of Bioscience

---

**The Landmark London**

**Application code:** IN18

**Opportunity details:** Videography internship, where the student will create and edit multiple videos and social media clips.

**KEY WORDS:** VIDEOGRAPHY, MEDIA, PROMOTIONAL VIDEO, CREATIVE

**Company profile:** The Landmark London is a 5* Hotel which combines British elegance and grandeur with luxury and deluxe facilities.

**Location:** Central London (due to the location, the student will be paid £16,980 pro rata).

**Date(s):** Dates to be confirmed between student and sponsor. Work to be undertaken between June - September 2018. The internship is for 12 weeks.

**Additional criteria:** The student must have experience of creating and editing videos. The student must be able to commute to Central London. The student must have access to relevant hardware and software. The internship may involve evening/weekend work.

**Recommended by:** School of Arts, School of Music, Fine Arts and Events, School of Engineering and Digital Arts
**Caliper**

**Application code:** IN19
