**Bit Coin Scam**

Action Fraud received over 1,000 reports in 3 says about emails promoting Bitcoin investment schemes claiming to be endorsed by Martin Lewis. This is a Scam. The links in the emails will simply take you to malicious websites, which will steal both your personal and financial information. If you receive an email like this, then forward to report@phishing.gov.uk

When considering making any investment, I would always recommend seeking independent financial advice from a professional before proceeding.

If you think that you may have been a victim of this type of scam, then contact your Bank immediately and report it to Action Fraud at www.actionfraud.police.uk or calling 0300 123 2040.
