TO STOP FRAUD™

On Line Shopping Scams

This remains Nationally one of the most reported frauds, therefore I want to reiterate our message from Christmas.

Shopping online can save time and effort and offers access to a variety of goods worldwide. However, fraudsters use online shopping scams to target victims because they can hide their identity.

Beware of “too good to be true offers.” Carry out your research and wherever possible. Use a credit card as opposed to paying by debit card.

For further information visit www.actionfraud.police.uk for this and other top tips on how to protect yourself from fraud.

If you think that you may have been a victim of this type of scam, then contact your Bank immediately and report it to Action Fraud at www.actionfraud.police.uk or calling 0300 123 2040.
