eliminated. In the event of a holding of invalidity so fundamental as to prevent the
accomplishment of the purpose of the Contract, the parties shall immediately
commence negotiations in good faith to remedy the invalidity.

7. **Contract Price and Payment**

7.1. Subject to Clause 7.2 below the Contract Price shall remain fixed for the full Contract
Period and will be as stated in the Contract Agreement letter and not subject to any
variation.

7.2. In the event that the Contract Price is increased or decreased as a result of any new
legislation or regulation being made after the commencement of the contract, the
amount of any such increase or decrease shall be treated as a variation to the contract
and will be assessed on an individual basis. Such variations will not be allowed where
new legislation or regulations are enacted after the commencement of the contract,

The Consultant shall, performing all reasonable due diligence and accuracy, follow the requirements of any and all applicable legislation, including – but not limited to the IR35 Legislation and employment status located at: https://www.gov.uk/guidance/check-employment-status-for-tax. The Consultant shall further indemnify the University against all reasonable costs, expenses and any penalty, fine or interest incurred or payable by the University in connection with or in consequence of any such liability, deduction, contribution, assessment or claim. The Consultant will provide such evidence as the University may reasonably require from time to time for the discharge by the Consultant of their obligations to pay tax and National Insurance as an independent contractor.

respect of the performance of its obligations under this clause 7.

the Consultant to the Authority's Premises. If the Authority gives the Consultant notice that any person is not to be admitted to or is to be removed from its Premises or is not to become involved in (or is to be removed from) the Services, the Consultant shall take all reasonable steps to comply with such notice and shall return any security pass that has been issued.

10.8. The decision of the Authority as to whether any person is to be admitted to or is to be removed from involvement in the Services or as to the designation or approval of key personnel and as to whether the Consultant has furnished the information or taken the steps required of him by this Condition shall be final and conclusive.

10.9. The Consultant shall bear the cost of any notice, instruction or decision of the Authority under this Condition.

11.1. Any equipment provided by the Authority for the purpose of the Contract shall remain the property of the Authority and shall only be used for the purpose of carrying out the Contract; to be returned promptly to the Authority on expiry or termination of the Contract. The Consultant will reimburse the Authority for any loss or damage to the equipment (other than deterioration resulting from normal and proper use) caused by the actions of Consultant’s staff. Equipment supplied by the Authority shall be deemed to be in good condition when received by or on behalf of the Consultant, unless the Authority is notified otherwise in writing within seven days of such receipt.

12. **Use of Authority's Premises**

12.1. The Consultant will provide the services in such places as the Authority may reasonably specify. Any temporary accommodation made available to the Consultant by the Authority in connection with the Contract shall be made available to the Consultant free of charge and shall be used by the Consultant solely for the purpose of performing the Contract.

12.2. The Consultant undertakes to exercise all reasonable precautions to protect the Authority’s Premises, its assets and all those on the site from any harm that may arise from their being on site.

14.1. For reasons of security, the Consultant shall not assign or sub-contract any portion of the Contract without the prior written consent of the Authority, with the sole exception that the Consultant may assign the debt arising under the Contract to a factor or invoice discounter without prior Approval. Sub-contracting any part of the Contract shall not relieve the Consultant of any obligation or duty attributable to the Consultant under the Contract or these Conditions.

14.2. Where the Authority has consented to the placing of sub-contracts the Consultant shall, if requested by the Authority, provide the Authority with copies of the sub-contract.
14.3. To the extent the Consultant is performing an advisory service to the Authority, under the Contract, it shall be forbidden to solicit work on his own behalf or for any part of the Consultant's organisation, including partners, associate or parent companies, or to make recommendations or tender advice that directly leads to additional work for the Consultant either as a variation or extension to this Contract or by the award of a separate non-competitive contract.

15.2. Nothing in this agreement shall prevent the Consultant or its staff from being engaged, concerned or having any financial interest in any in any other business, trade, profession or occupation during the Contract provided that such activity does not cause a breach of any of the Consultant's obligations under this agreement.

15.3. The Consultant and any staff engaged for the provision of the Services shall give priority to the provision of the Services to the Client over any other business activities undertaken by it during the course of the Contract.

Liability, Indemnity & Insurance Section

16.4. Subject to the following provisions of this Condition, the Authority shall compensate the Consultant for any Loss of Property suffered by the Consultant and any Personal Injury suffered by an employee, agent or sub-contractor of the Consultant arising as a result of the performance or purported performance of the Services by the Consultant.

16.6. If the Authority shows that the neglect or wrongful act of any person (not being its employee) was in part responsible for the Personal Injury or Loss of Property, the
Authority's liability under this Condition shall not extend to the share in the responsibility attributed to the neglect or wrongful act of that person.

17. **Indemnity for Claims by Third Parties**

17.1. Subject to the following provisions of this Condition, the Consultant shall indemnify and keep indemnified the Authority against:

a) all proceedings, actions or claims brought against the Authority or any Employee of the Authority; and

b) all payments, costs and expenses incurred by the Authority or any Employee of the Authority in respect of any Loss of Property, Personal Injury or other Loss (including financial loss arising from any advice given or omitted to be given by the Consultant) suffered by a person other than the Consultant or an employee of the Consultant (but including that suffered by an agent of the Consultant or by a Sub-contractor) arising in any way from the performance or purported performance of the Services.

17.2. The indemnity shall not apply to the extent that the Consultant is able to show that such Personal Injury or Loss or damage was not caused or contributed to by its negligence or wrongful act or omission or that of its employees or agents or Sub-contractors or by any circumstances within its or their control.

17.3. Without prejudice to the generality of Clause 17.1, the Consultant's obligation under that sub-clause includes indemnifying the Authority for any payment made under any Government Provision in connection with any Personal Injury suffered by an Employee of the Authority.

18.1. The Consultant shall effect and maintain with a reputable insurance company a policy or policies of insurance providing an adequate level of cover in respect of all risks which may be incurred by the Consultant, arising out of the Consultant's performance of the Contract and in respect of the liability outlined in Conditions 16 and 17. Such policies shall include cover in respect of any financial loss arising from any advice given or omitted to be given by the Consultant.

18.2. The terms of any insurance or the amount of cover shall not relieve the Consultant of any liabilities under the Contract. The Consultant shall maintain a minimum insurance cover of £5 million Public Liability Insurance.

18.3. The Consultant shall ensure that his Sub-contractors and agents effect and maintain with a reputable insurance company a policy or policies of insurance providing an adequate level of cover in respect of all risks which may be incurred by the Sub-contractor, arising out of his involvement in the performance of the Services.

18.4. The Consultant shall produce to the Representative of the Authority, on request, copies of all insurance policies referred to in this Condition or other evidence confirming the existence and extent of the cover given by those policies, together with receipts or other evidence of payment of the latest premiums due under those policies.

19.4. Where any claim or proceeding in respect of which Condition 16 or 17 applies is settled otherwise than by the Consultant or his insurers, the Consultant shall not be required to pay by way of indemnity any sum greater than that which would be reasonably
payable in settlement having regard to the circumstances of the case and in particular to the damages which might be recoverable at law.

19.5. If, when the Consultant or his insurers are dealing with any claim or proceeding to which Condition 16 or 17 applies, any matter or issue arises which involves, or may involve, any privilege or special right of the Authority (including a matter relating to the discovery or production of documents) the Consultant or his insurers shall consult the Authority before taking any further action on the matter and shall act in relation thereto as may be required by the Authority; and if either the Consultant or his insurers fail to comply with this Condition, Clause 19.2 shall cease to apply.

Remedies Section

20. The Authority’s Remedies in the Event of Unsatisfactory Performance

20.1. If the Authority is of the opinion that there has been a Default by the Consultant or the Consultant’s staff, then, if the Default or other failure is capable of remedy, the Authority shall send to the Consultant a written notice specifying the Default and stating the time within which the Consultant must remedy the Default and put right any damage resulting from it.

20.2. In the event that:

a) the Consultant fails to comply with a notice sent under Clause 20.1;

b) the Authority is of the opinion that there has been a Default of the Contract by the Consultant which is not capable of remedy; or

c) the Authority is of the opinion that there has been a material breach of the Contract by the Consultant

then the Authority may take any of the actions set out in Clause 20.3.

20.3. The actions set out in this sub-clause are:

a) The Authority may deduct from any payment due to be made to the Consultant an amount which the Authority reasonably considers to reflect the sums which have been paid to the Consultant, or the sums which would otherwise be payable to the Consultant, in respect of such of the Services as the Consultant has failed to provide.

b) The Authority may, without terminating the Contract, itself provide or procure the provision of part of the Services until such time as the Consultant demonstrates to the reasonable satisfaction of the Authority that the Consultant will once more be able to perform such part of the Services in accordance with the Contract, and in the meantime the Authority shall be entitled to exclude the Consultant, his employees, agents and Sub-contractors from the Authority’s Premises.

c) The Authority may, without terminating the whole of the Contract, terminate the Contract in respect of part of the Services only (whereupon a corresponding reduction in the Contract Price shall be made) and thereafter itself provide or procure a third party to provide such part of the Services.

d) The Authority may terminate the whole of the Contract.

20.4. Where, pursuant to Clause 20.3 the Authority itself provides or procures the provision of part of the Services, it may charge to the Consultant any cost reasonably incurred by it and any reasonable administration costs in respect of the provision of any part of the Services to the extent that such costs exceed the payment which would otherwise have been payable to the Consultant for such part of the Services.

20.5. Where, pursuant to Clause 20.3, the Authority terminates the Contract, or terminates any part of the Contract, and then makes other arrangements for the provision of Services, the Authority shall be entitled to recover from the Consultant the reasonable costs of making those other arrangements and any additional expenditure incurred by the Authority throughout the remainder of the Contract Period. Where the whole Contract is terminated, no further payments shall be payable by the Authority to the Consultant until the Authority has established the final cost of making those other arrangements.
20.6. In the event that through any Default of the Consultant, data transmitted or processed in connection with the Contract is either lost or sufficiently degraded as to be unusable in the reasonable opinion of the Authority, the Consultant shall be liable for the necessary repairs and the costs of providing a replacement that is acceptable to the Authority.

20.7. The remedies of the Authority under this Condition may be exercised successively in respect of any one or more failures by the Consultant and shall survive the expiry or termination of the Contract.

21. The Consultant’s Remedies for Non-Payment

21.1. If the Authority fails to pay the whole or part of the Contract Price when it falls due, the Consultant shall give the Authority 90 days notice specifying the breach and requiring its remedy. In the event that the Authority fails to comply with such notice, the Consultant may terminate the Contract. The Consultant’s right of termination under this clause shall not apply to non payment of the charges where such non-payment is due to the Authority exercising its rights under Clause 7.7.

22. Remedies Cumulative

22.1. Except as otherwise expressly provided by the Contract, all remedies available to either the Authority or the Consultant for breach of this Contract are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

23. Waiver

23.1. The failure of either Party to exercise any right or remedy shall not constitute a waiver of that right or remedy.

23.2. No waiver shall be effective unless it is communicated to the other party in writing.

23.3. A waiver of any right or remedy arising from a breach of contract shall not constitute a waiver of any right or remedy arising from any other breach of the Contract.

Contract Expiry or Termination Section

24. Break

24.1. The Authority shall have the right to terminate the Contract, or to terminate the provision of any part of the Contract at any time by giving a minimum of 30 days written notice to the Consultant. The Authority may extend the period of notice at any time before it expires.

24.2. Without prejudice to condition 10.10, Where the Authority terminates the Contract under this Condition, the Authority shall indemnify the Consultant against any commitments, liabilities or expenditure which would otherwise represent an unavoidable loss by the Consultant by reason of the termination of the Contract, provided that the Consultant takes all reasonable steps to mitigate such loss. Where the Consultant holds insurance, the Consultant shall reduce its unavoidable costs by any insurance sums available. The Consultant shall submit a fully itemised and costed list, with supporting evidence, of such losses reasonably and actually incurred by the Consultant as a result of termination under this Condition.

24.3. The Authority shall not be liable under this Condition to pay any sum which:

a) was claimable under insurance held by the Consultant, and the Consultant has failed to make a claim on its insurance, or has failed to make a claim in accordance with the procedural requirements of the insurance policy; or

b) when added to any sums paid or due to the Consultant under the Contract, exceeds the total sum that would have been payable to the Consultant if the Contract had not been terminated prior to the expiry of the initial Contract Period.

25. Termination on Change of Control or Bankruptcy
