KU INTERNATIONAL SUMMER CAMPUS

KU ISC Edge

Academic Excellence & Variety of Courses
KU ISC offers more than 120 high-standard courses that cover a wide range of subjects from Business to Science. 60 International faculty members from various prestigious universities provide students with quality education and research experience.

Internship Opportunities
KU ISC Internship Program offers students work experience opportunities at various Korean companies or institutions, such as National Assembly of South Korea, CJ, EBS and Lotte. This program enables students not only to earn resume credentials for their future careers, but also to build an international social network.

Cultural Activities & Buddy Assistance Program
Every week, all KU ISC students can participate in weekly cultural immersion programs, such as K-Pop dancing, Korean Cooking, as well as field trips to various landmarks in Korea. Also, to ensure that students are comfortable in their new surroundings, KU students designated as “buddies” will help KU ISC students to make the most of their experience in Korea and at KU.

Dean’s Message

Greetings from Korea University!

Recognized as the top summer program in Asia, Korea University’s International Summer Campus (KU ISC) program is a four-week or six-week condensed semester hosted at KU’s beautiful state-of-the-art campus, taught by distinguished professors from prestigious universities around the world. You can take up to three courses from a selection of over 100 credits, or if you wish, we facilitate towards your degree at your home institution.

In addition to rigorous academics, you will also have the opportunity to learn about Korean culture and experience an actual work environment to add to your resume. If you are looking for an intellectually stimulating, culturally fascinating, and visually dynamic experience this summer, the KU ISC is for you. We look forward to welcoming you to KU this summer!
