University of Kent: Summer School Bursary Terms and Conditions
India Immersion Programme

These terms and conditions (“Terms”) apply to the University of Kent’s (“University”) Summer School Bursary Scheme India Immersion Program (“Scheme”). Under the Scheme, the University has a limited number of monetary grants, which it wishes to allocate to 3 students applying for a place on the India Immersion Program with Amity University. By making an application for the Scheme, (whether or not you subsequently receive a bursary) you accept and agree to be bound by these Terms.

1 In order to apply to enter the Scheme, the following criteria must be met. Please note that meeting the eligibility criteria set out in these Terms will not automatically result in you being entitled to, or you being made an offer of, a bursary, and allocation of such bursary shall (subject to these Terms) be at the University’s absolute discretion. The University may also withdraw the Scheme (or any part of it) at any time without notice.

2 To be eligible to apply for a bursary you must:

2.1 be a student of the University;
2.2 provide the University with a valid Student ID number when submitting your application;
2.3 be available on the proposed summer school dates and meet any visa requirements;
2.5 be able to part fund your own flights to India and any additional living costs of approx. £15 to £20 per day of the Program;
2.6 meet the other requirements set out in these Terms

The Bursary

3 There are a limited number of bursaries available and the payment of bursaries shall always be subject to University budget constraints.

4 Bursaries will only be allocated after the full bursary application has been submitted, written confirmation by University has been sent, and the claims process has been completed. The funding for the bursary scheme is limited and the scheme may close when sufficient applications have been received.

5 The University shall always use reasonable endeavours to act fairly when making decisions as to whom to allocate the bursaries. However, by submitting an application for the Scheme, you acknowledge and agree that the University reserves the right to decide at its absolute discretion how it wishes to allocate the bursaries to applicants. You further accept that the University shall not (unless required by law) be required to give any reasons for its decisions.

6 If the University notifies you that your application has been successful, the University shall pay Amity University the full cost of your India Immersion package. Please note this excludes flights and daily spending money.
Your Application

7 The University will consider all the applications received and will let you know if you have been successful in being selected for interview by 18th June. If you do not hear back from us by such date, you should assume that you have been unsuccessful. The University may however at its sole discretion consider your application at a subsequent time during the Scheme.

8 Data held by the University is also subject to the central University Data Protection Policy.

General

9 The University reserves the right to not award a bursary to you and/or to end the Scheme (or any part of it) at any time.

10 If you provide the University with incorrect or incomplete information, or if you fail to complete the work experience, so that you do not in fact meet the eligibility criteria for a bursary, or you otherwise do anything which might bring the University into disrepute, without prejudice to its other rights and remedies the University may on notice to you terminate its agreement with you pursuant to these Terms with immediate effect and will not pay any money to you and will require you to repay any costs that the University has given Amity University as part of your bursary.

11 By submitting an application for a bursary, you agree to disclose your personal information and for this to be held by the University and Amity University. Your personal information will be used for legitimate purposes in connection with the work experience and bursary.

12 The University takes no responsibility for undertaking health and safety or any other risk assessments of activities unrelated to the specific and its components at Amity University. Students participating in this Scheme are expected to undertake their own assessments and familiarise themselves with the relevant organisation’s processes in order to ensure their personal safety and well-being.

13 Students will be covered by the University’s Travel and Personal Accident Insurance and will be required to complete the travel notification form and comply with the University’s overseas travel policy. A student may take out additional personal insurance cover if they wish.
