10 Jan	International Partnerships	Catering and Conference Office	We just wanted to thank you and your team for organising such a smooth event today. The students were very pleased with the brunch and the lady who suffers with various allergies said a special thank you for going out of your way to accommodate her.
10 Jan	Kent Business School	Catering	<p>Just a courtesy message on behalf of senior colleagues here at KBS to say thank you for the food, drink and catering arrangements at today's Summit. We can put a fantastic line-up of speakers and workshops but big events like this are often remembered for how easy it was to park and what the food was like! I had several attendees come up to me to say the food was excellent ... which indeed it was.</p> <p>Thank you again and please pass on our thanks to your teams.</p>
11 Jan	Kent Business School	Catering and Conference Office	<p>Can I please just say a huge THANK YOU for a fantastic job done! Everyone I have spoken to so far loved the summit and was very impressed with the catering.</p> <p>I will send round a survey but am sure the feedback will be glowing! Can you please thank the entire team for their hard work, too?</p>
16 Jan	Internationalisation Forum	Catering and Conference Office	<p>Just a note to say thanks to you and your team for the organisation yesterday for our Showcase event. It all went really well, we had around 90 attendees and it all went without a glitch.</p> <p>Thanks so much for coming over to put our minds at rest in the morning. It really helps!</p>
31 Jan	Sustainable food and a postgrad project, Department of Anthropology	Chef de Cuisine	Hi, I just wanted to extend a quick and heartfelt thanks for taking the time off your busy schedule to meet with our students over the two days- I know for a fact it was greatly appreciated by them, I got a lot of good feedback, and I know that some of them really enjoyed talking about food with you. I think we have started a really important conversation and I am really looking forward to see where this goes...not sure if any of the module projects will focus on food, but as you know this is a big theme for our school sustainability group so I know one way or another we will be in touch and hoping to do things together.
19 Feb	Temple Insight Canterbury	Catering and Conference Office	I wanted to send my thanks for your help with our event. It ran smoothly and the space was great. Please do also pass on my thanks to our event manager on the night (apologies I forgot her name) who was brilliant and very helpful.
