15 January	Learning and Teaching	Housekeeping (Keynes)	My colleague has just been around the teaching rooms in Keynes and, completely impromptu, commented on how clean and sparkling they are looking. Many thanks to you and your team for this. It's great the rooms start off the term so well.
16 January	Student Learning Advisory Service	Catering	I would like to say a huge thank you for a most enjoyable and lovely New Year dinner for international students at No 1 Bistro. Thanks, too, for the smooth and efficient service provided by the staff.
20 January	Centre for Child Protection	Catering	Many thanks. I would like to say that the food was very nice and we particularly appreciated the selection of nut free food.
21 January	Faculties Support Office	Catering	I have just had a meal at Mungo's and wanted to pass on some positive feedback about a member of staff called Geoff who gave us excellent service. He was very friendly, helpful and welcoming. He asked us where we would like to sit, brought menus and, when he found out we were staff, explained that we could order in advance as we had limited time for lunch. We will definitely be going back to Mungo's, not only because the food was good but because of the great service.
23 January	Recruitment and Admissions	Catering	Today we went to Origins for a colleague's birthday. It was very busy and the only tables left were reserved. One diner advised us that one of her reserved tables wasn't needed and that we could sit there. However, while we were ordering our food, another large group arrived and it appeared that we were sitting at their reserved table. Adam, the guy in charge, explained the situation and apologised for the mix up. Adam then suggested alternative seating by moving people around and he managed to seat everyone. He made sure our food was delivered to the correct tables. Adam was approachable, friendly and he went out of his way to provide excellent customer service. He even provided us with a chocolate fondue as an apology for the confusion.
28 January	Member of staff	Catering (Rutherford)	Thank you to everyone for helping out this morning – the breakfast and coffee was much appreciated, especially by the students affected by the fire.
28 January	Kentish Flats and Thanet Offshore Wind Farm	Conference/Catering	Thank you for your help throughout our long-winded process. Please pass on my thanks to the lovely man in Reception and to Tom who was extremely helpful. The event was a massive success, the food was delicious and the catering seamless.

6 March	Master of Eliot	Catering (Beagle)	We held our Open Lecture and High Table yesterday and judging by the written and verbal feedback it was a great success. We worked closely with Tim to create a menu of dishes in the banqueting and Beagle selections and the food was delicious. One guest commented that she had spent a large amount of money on a bespoke event at Eastwell Manor but the food was not as good as she ate at our dinner last night. The tables looked very attractive, and your staff delivered the food and drink to the diners in a smooth and professional matter. Thank you to your team for this excellent service.
