OPERA (Opportunity Productivity Engagement Reducing Barriers Achievement)

Link to key resources

- University of Kent [Accessibility web pages](#)
- [Productivity tools](#) to help you study and manage your time

How can electronic documents be more accessible?

- [SENSUS ACCESS](#) is an online tool that will enable the conversion of almost any electronic document into a more accessible format.

Members of the DSN were very keen to endorse the use of Sensus Access and to seek ways to link to this service on their web pages (where appropriate).
