Booking Additional Leave

This guide will explain how you can request to take additional leave you have purchased through the Additional Leave Purchase Facility in Staff Connect. You can also view your additional leave amount and view, edit and delete additional leave booking requests.

Additional leave is requested and managed through Staff Connect. Your request to take additional leave will be sent to your line manager or their delegate to review, authorise or reject.

Please note, additional leave is calculated and requested in hours. If you have more than one post you will have a separate amount for each post.

Staff Connect is linked to payroll and therefore it is important that any leave is entered promptly and accurately.
Click **Absence** from the left-hand menu in Staff Connect.

If you have more than one post the screen below will be displayed. Please select the post you wish to enter a period of additional leave for and then click **Next**.
