Understanding Assignments

Student Learning Advisory Service

Dr. Gina May
What is the point of an assignment?

- Revisit elements of the module
  Main themes
  Pull elements together

- Extend and develop understanding

- Present an ‘informed opinion’ – (heuristic process)
Showcase your Skills

- Work within ‘constraints’
- Commitment to viewpoint
- Present and express concepts and ideas
- Create an intellectual ‘debate’
Basic Beginnings

- Don’t put it off
- Ask for clarification
- Look at the question for the ‘overview’
Basic Beginnings

- Pay attention
- Style requirement
- Check format requirements
- Check deadlines
