WHERE CAN YOUR DEGREE TAKE YOU?

Over 90% of Chemistry, Forensics and Physics graduates are employed or in further study within six months.

Those who opt for a year in industry – now available on all of our programmes – will benefit from the strong collaborative links we have with industrial partners, and can boost their employment prospects and contacts.

Employers of our Graduates
- Ministry of Defence (MoD)
- Defence Science and Technology Laboratory (Dstl)
- Defence Engineering and Science Group (Desg)
- Forensic Explosives Laboratory
- Airbus
- AstraZeneca
- BAE
- Boots
- British Petroleum (BP)
- Elsevier Health
- European Space Agency (ESA)
- Government Communications Headquarters (GCHQ)
- GlaxoSmithKline (GSK)
- Home Office
- LGC
- Mobil
- National Health Service (NHS)
- Pfizer
- Police
- Proctor and Gamble
- Rolls Royce
- Shell UK
- Tata Steel

Science industry
- Scientific laboratory technician
- Teaching laboratory technician
- Toxicologist
- Science writer
- Scientific publishing

Crime and Justice
- Forensic Drug Analyst
- Lab technician
- Police Evidence Officer
- Detective
- Forensic scientist
- Solicitor
- Paralegal
- Police support Officer

Aeronautics and Space
- Research Scientist
- Systems Engineer

Defence
- Research Scientist
- Project Manager
- Systems Engineer

Finance
- Banking
- Insurance
- Accountancy
- Claims

Computing
- Analyst
- IT Executive
- Systems Engineer
- Internet Security

Defence
- Research Scientist
- Project Manager
- Systems Engineer

Health
- Medical Physicist
- Clinical Engineering Technician
- Medical Sales
- Clinical Scientist

Education
- Teacher
- Technician
- Research Assistant
