Introduction

Students taking University programmes at Partner Institutions (either a Partner College or Validated Institution) should note the points listed below. In the case of queries students should consult their teaching institution in the first instance; queries which cannot be resolved in this way may be directed to the appropriate person in the University.

(iii) Partner Institution arrangements for non-academic student discipline will apply to students when they are on Partner Institution premises.
(iv) The University and Partner Institutions will respond to complaints and appeals, and will take appropriate remedial action whenever possible.

The following definitions are used in relation to appeals and complaints:

- **Academic Appeal**: A request for a review of a decision made by a Board of Examiners in regards to matters of progression to the next stage, assessment results or academic awards.
- **Academic Complaint**: A specific concern about the provision of a programme of study or related academic service: e.g. delivery of teaching, availability of learning of resources.
- **Complaint:** means any specific concern, other than one relating to an academic matter as defined above, made by a student with regard to services provided by the institution against which the complaint is made.

Complaints should be submitted by following the relevant procedure.

Partner Institutions are responsible for dealing with all non-academic complaints relating to the Partner Institution (and students should receive details of the partner complaints procedure at induction or in the programme handbooks).

Where such non-academic complaints are made with respect to services provided by the University, Kent’s complaint’s procedure should be used.

Partner Institutions are also responsible for the management of all academic complaints in the first instance.

Dissatisfied complainants on academic grounds who have exhausted the complaint’s procedure of the Partner Institution have a further right of complaint to the University. Such complaints should be managed using the University’s standard complaints procedure.

All academic appeals should be submitted directly to the University.

For Partner College students these should be submitted to the Faculties Support Office: [http://www.kent.ac.uk/fs/support/appeals/index.html](http://www.kent.ac.uk/fs/support/appeals/index.html)

For Validated Institution students these should be submitted to the Quality Assurance Office: [https://www.kent.ac.uk/teaching/qa/collaborative/validation/studentinfo.html](https://www.kent.ac.uk/teaching/qa/collaborative/validation/studentinfo.html)

(v) The University and Partner Institutions welcome comments and suggestions for improvements which should be addressed to the appropriate member of staff concerned in the institution concerned
