

EARLY CAREER RESEARCHER NETWORK

A new network for Early Career Researchers (ECRs) is being launched this year. It will provide a forum for ECRs to meet and discuss issues and concerns about developing their academic career, and to hear from more senior staff who have been through similar experiences.

All ECRs are welcome. Contact Phil Ward (p.ward@kent.ac.uk) if you would like to be included.

Week	Date	Title
2	Thurs 4 October – 2.30-4.30pm	Planning a Personal Research Strategy <i>Jenny Billings & Prof Darren Griffin</i>
