Safe use of face coverings

When wearing face coverings, please comply with the following Government advice and view the short video:

- wash your hands thoroughly with soap and water for 20 seconds or use hand sanitiser before putting a face covering on, and before and after removing it
- when wearing a face covering, avoid touching your face or face covering, as you could contaminate them with germs from your hands
- change your face covering if it becomes damp or if you’ve touched it
- continue to wash your hands regularly
- change and wash your face covering daily
- if the material is washable, wash in line with manufacturer’s instructions.
