MODULE ORGANISATION AND MANAGEMENT	
	The timetable works efficiently as far as my activities are concerned.
	Any changes in the module or teaching have been communicated effectively.
	The module is well organised and is running smoothly.
	All of the compulsory modules are relevant to my course.
	There is an appropriate range of options to choose from on my module.
	The modules of my course form a coherent integrated whole.
	I have had plenty of opportunities to interact socially with other students.
	The workload on my module is manageable.
	This module does not apply unnecessary pressure on me as a student.
	The volume of work on my module means I can always complete it to my satisfaction.
	I have been able to contact staff when I needed to.
	Advance information about the module was available and helpful.
	The guidance given in the module booklet helped to explain the module structure and content.
	I had adequate time to prepare for lectures/classes.
	Module learning outcomes were clearly explained to me.
	The assessment helped me to achieve the module learning outcomes.
	Class sizes were about right.
	I clearly understood what was expected of me in the assessments.
	The assessment was clearly related to the study topics.
	The assessment was clearly related to what was studied.
	The self/peer assessment exercises helped me to understand the topic.
	This module fits in well with my overall degree.
	The assessment marking was fair.
	The group work helped me to understand the topic.
	I could keep up with the assessment work load.
	The deadlines for work in this module were reasonable.
	Studying this module has increased my knowledge of the subject.
	I felt I could ask questions and participate in class.
	This module complemented others I have studied.
	Taking this module has developed my knowledge of the subject.
	I understood the purpose of assessments.
	Overall, I am satisfied with the quality of this module
(open)	Overall did lectures, seminars, workshops, practicals link together?
(open)	Did the module meet your expectations?
(open)	Overall are you satisfied with this module?
(open)	To improve the module we need to know what students enjoy about the module and anything they do not enjoy. Your comments will be greatly appreciated.
(open)	Overall what is your assessment of this module?

## TEACHING, ASSESSMENT AND FEEDBACK

	Staff are good at explaining things.
	Staff have made the subject interesting.
	Staff are enthusiastic about what they are teaching.
	The module is intellectually stimulating.
	The criteria used in marking have been clear in advance.
	Assessment arrangements and marking have been fair.
	I have received detailed comments on my work.
	Feedback on my work has helped me clarify things I did not understand.
	I have received sufficient advice and support with my studies.
	Good advice was available when I needed to make study choices.
	The module has helped me to present myself with confidence.
	My communication skills have improved.
	As a result of the module, I feel confident in tackling unfamiliar problems.
	Teaching staff test what I have understood rather than what I have memorised.
	Assessment methods, employed in my module require an in-depth understanding of the module content.
	I feel part of a group of students committed to learning.
	I have been able to explore academic interests with other students.
	I have learned to explore ideas confidently.
	Within my module, I feel my suggestions and ideas are valued.
	I feel part of an academic community.
	I have found the module motivating.
	The module has stimulated my interest in the field of study.
	The module has stimulated my enthusiasm for further learning.
	The range and balance of approaches to teaching has helped me to learn.
	The delivery of my module has been stimulating.
	Practical activities on my module have helped me to learn.
	I have had adequate opportunities to provide feedback on all elements of my module.
	My feedback on the module is listened to and valued.
	It is clear to me how students' comments on the module have been acted upon.
	I am generally given enough time to understand the things I have to learn.
	My learning has benefited from modules that are informed by current research.
	I felt I could discuss my learning with my lecturer/teacher.
	There was a clear link/relationship between what I was taught and the assessment.
	During seminars students are encouraged to ask questions.
	Feedback on my work was easy to understand.
	Feedback on assessments has helped me to see how to improve and build on my strengths.
	I understand the feedback and marks I received for my work.
	The lecturer(s) were friendly and easy to approach.
	The lectures/classes helped me to complete the assessments.
	The module lecturer(s) motivated me to find out more about the subject.

	The lectures helped me to understand the module topics.
	I am satisfied with the speed with which assessments and feedback were returned.
	The lectures were well presented/understandable and easy to follow.
	The lectures were well presented at a pace I could follow.
	The tasks and activities in class helped me to learn.
	The practical classes/seminars helped me to learn.
	The balance between coursework and exams is about right.
	I found it easy to ask the lecturer questions.
	Lecturers encouraged students to ask questions.
	Audio-visual aids and/or other techniques of presentation used in lectures/seminars were effective.
	Feedback on my work has been prompt.
	The Moodle website for this module was a useful learning resource.
	The reading lists for essays/seminars/project were helpful.
(open)	If you have any comments about lectures or lecturers please share them with us.
<b>LEARNING RESOURCES</b>	
	The environment was appropriate in which to learn.
	The library resources and services are good enough for my needs.
	I have been able to access general IT resources when I needed to.
	I have been able to access specialised equipment, facilities, or rooms when I needed to.
	Learning materials, made available on my module have enhanced my learning.
	The IT resources for this module were adequate and appropriate.
	Handouts and/or support materials for this module were useful and relevant.
	I was able to access IT resources in the college PC rooms or Library to complete my work for this module.
	I was happy with the quality of the teaching rooms.
	I had access to the IT resources I needed to study this module.
	I could access the online materials for this module from home or on campus when necessary.
	There were sufficient copies of core texts/key readings.
(open)	How helpful were the reading lists for essays/seminars/projects?
	The Moodle website for this module was a useful learning resource.
	Audio-visual aids and/or other techniques of presentation used in lectures/seminars were effective
	The reading lists for essays/seminars/project were helpful.
