4. Where a *viva voce* examination is held for a proportion, but only a proportion, of the candidates, the criteria for the selection of candidates, the purpose of the viva and the scope of the panel of *viva voce* examiners' decision shall be agreed with the External Examiner.
5. A *viva voce* examination shall normally be conducted by one or more External Examiners who may be assisted by one or more Internal Examiners. Where more than one academic discipline is involved, the Board of Examiners for each discipline concerned shall be consulted concerning the composition of the panel of *viva voce* examiners and shall have the right to nominate an Internal Examiner to be present.
6. A candidate selected for a *viva voce* examination shall be informed in advance of the discipline to be examined and, at the discretion of the Board of Examiners, may be informed of the particular modules involved.
