

LEARNING AND TEACHING NETWORK

Learning and Teaching Network

The Learning and Teaching Network provides sessions based around the categories used in the National Student Survey for staff working towards enhancing learning, teaching and assessment.

Who should attend

All staff are welcome to attend. The events are intended for staff who work with students or are in a learning and teaching role.

Managing your subscription to this list

Your own email:

Go to <https://lists.kent.ac.uk/sympa/info/lt-network>. Use the menu at the left of the screen to subscribe or unsubscribe. Click on the menu, insert your email address. A validation link will be sent to your account unless you are logged in to Sympa with a Kent account.

To manage accounts which are not your own email address:

If you are NOT logged in to Sympa, go to <https://lists.kent.ac.uk/sympa/signoff/lt-network> (for other lists replace the LT-Network with the name of the list). This takes you to a screen where you put in the email address you want to unsubscribe. A validation link is then sent to the account.

Still receiving emails after unsubscribing?

You may also be on an email list which is subscribed to the LT-Network list (e.g. DoLTs-list). If you examine the email you received, it will show which email list has sent you the email. Follow the steps above to remove yourself from that list too (replace the 'lt-network' with the name of the list).
