Module Specification Template with Guidance (May 2018)
15. **Inclusive module design**

Pearson College London recognises and has embedded the expectations of current disability equality legislation, and supports students with a declared disability or special educational need in its teaching.

Within this module PCL will make reasonable adjustments wherever necessary, including additional or substitute materials, teaching modes or assessment methods for students who have declared and discussed their learning support needs. Arrangements for students with declared disabilities will be made on an individual basis, in consultation with the College’s Registry which oversees disability/dyslexia student support, and specialist support will be provided where needed.

16. **Campus(es) or centre(s) where module will be delivered**

Pearson College London

17. **Internationalisation**

Organisations need to cater for international markets and consumer preferences. The level of personalisation is critical across all digital platforms in order to give each consumer a very engaging customer experience. In this module, PCL will look at how it will deliver this compelling customer experience across borders.

18. **Partner College/Validated Institution**

Pearson College London

19. **University School responsible for the programme**
