15. **Inclusive module design**

The Collaborative Partner recognises and has embedded the expectations of current equality legislation, by ensuring that the module is as accessible as possible by design. Additional alternative arrangements for students with Inclusive Learning Plans (ILPs)/declared disabilities will be made on an individual basis, in consultation with the relevant policies and support services.

The inclusive practices in the guidance (see Annex B Appendix A) have been considered in order to support all students in the following areas:

a) Accessible resources and curriculum

b) Learning, teaching and assessment methods

16. **Campus(es) or centre(s) where module will be delivered**

Pearson College London

17. **Internationalisation**

Students taking this module will be expected to keep up to date with international developments and changes relevant to the taxation profession. Students will be encouraged to think about how local and international contexts affect the decisions made by tax professionals and the advice that they may provide.

If the module is part of a course in a Partner College or Validated Institution, please complete sections 18 and 19. If the module is not part of a course in a Partner College or Validated Institution these sections can be deleted.

18. **Partner College/Validated Institution**

Pearson College London

19. **University Division responsible for the course**

Kent Business School
## Divisional Use Only

Revision record – all revisions must be recorded in the grid and full details of the change retained in the appropriate committee records.
