14. A synopsis of the curriculum

In this module students examine and synthesise ideas and concepts from the other more practical modules in the course whilst also undertaking extensive vocational preparation in relation to both the Ballet Central tour and professional work. Through a series of lectures and practical workshops from the internal and external tutors students cover areas such as technical stage knowledge, wardrobe, front of house organisation, planning a tour and marketing plus audition preparation including photographs, CV writing and interviews. Students research the range of work available both nationally and internationally and through a clear understanding of their own strengths, weaknesses and aims build appropriate career path plans.

16. **Learning and Teaching Methods**, including the nature and number of contact hours and the total study hours which will be expected of students, and how these relate to achievement of the intended learning outcomes

There will be 1 hour contact time per week and students will be expected to work independently for a further 1 hour per week. Teaching will be through group lectures and discussion, practical workshops, guided research and presentation tasks, set written tasks and small group or individual tutorial. The learning outcomes are largely based on knowledge understanding and the ability to analyse and to interpret information. The above methods are the best ways to deliver these outcomes.

17. **Assessment methods and how these relate to testing achievement of the intended learning outcomes**

- Continuous assessment by tutor
  - 25% Term 2 This will assess achievements in subject specific outcomes 1, 2, 3, 4, 5 and 6 and generic outcomes 1, 2, 3, 4 and 5
- Professional Development Portfolio Assignments
  - 75% This will assess achievements in subject specific outcomes 1, 2, 3, 4 and 5 and generic outcomes 1, 3 and 5.

18. **Implications for learning resources, including staff, library, IT and space**

The current provision is sufficient to deliver the module. However the school will continue to monitor and review the requirements for the module in relation to the learning resources, including staff, library, IT and space through the process of annual programme monitoring and the development of the school’s Learning Teaching and Assessment Strategy.

19. **The Collaborative Partner recognises and has embedded the expectations of current disability equality legislation, and supports students with a declared disability or special educational need in its teaching. Within this module we will make reasonable adjustments wherever necessary, including additional or substitute materials, teaching modes or assessment methods for students who have declared and discussed their learning support needs. Arrangements for students with declared disabilities will be made on an individual basis, in consultation with the Collaborative Partner’s disability/dyslexia support service, and specialist support will be provided where needed.**
